目录

01 番茄炒蛋 Tomato & Egg (番茄炒蛋)	4
02 蛋炒饭 Egg Fried Rice (蛋炒饭)	6
03 红烧豆腐 Braised Tofu (红烧豆腐)	8
04 家常豆腐 Home-style Tofu (家常豆腐)	11
05 葱油拌面 Scallion Oil Noodles (葱油拌面)	14
06 番茄鸡蛋面 Tomato Egg Noodles (番茄鸡蛋面)	16
07 阳春面 Yangchun Noodles (阳春面)	18
08 紫菜蛋花汤 Seaweed Egg Drop Soup (紫菜蛋花汤)	20
09 番茄蛋花汤 Tomato Egg Drop Soup (番茄蛋花汤)	22
10 冬瓜排骨汤 Winter Melon Pork Rib Soup (冬瓜排骨汤)	24
11 西兰花炒牛肉 Beef & Broccoli (西兰花炒牛肉)	26
12 青椒牛柳 Green Pepper Beef (青椒牛柳)	28
13 洋葱炒牛肉 Onion Beef Stir-fry (洋葱炒牛肉)	31
14 土豆炖牛肉 Potato Beef Stew (土豆炖牛肉)	33
15 腰果鸡丁 Cashew Chicken (腰果鸡丁)	35
16 可乐鸡翅 Coke Chicken Wings (可乐鸡翅)	38
17 红烧鸡腿 Braised Chicken Legs (红烧鸡腿)	40
18 酱油鸡翅 Soy-Braised Chicken Wings (酱油鸡翅)	42
19 香煎鸡排 Pan-Fried Chicken Cutlet (香煎鸡排)	44
20 红烧肉 Braised Pork Belly (红烧肉)	46
21 糖醋里脊 Sweet and Sour Pork (糖醋里脊)	48
22 糖醋排骨 Sweet and Sour Pork Ribs (糖醋排骨)	51
23 青椒肉丝 Pepper Shredded Pork (青椒肉丝)	53
24 醋溜白菜 Vinegar Cabbage (醋溜白菜) — Northeastern Sweet-Sour Stir-Fry	55

01 番茄炒蛋 Tomato & Egg (番茄炒蛋)

菜系：家常菜（Home-style） | 地区：全国家常 | 难度：简单 | 时长：约 20 分钟 | 份量：2 人份
标签：30-min、beginner、comfort、weeknight

大多数中国孩子学会的第一道菜。每个家庭都有自己的蛋液番茄比例，都有自己的那撮糖。这是一份来自广东家庭的快手做法——汤汁多、鸡蛋嫩，浇在米饭上就是一顿。

The first dish most Chinese kids learn. Every family has its own ratio of eggs to tomato, its own pinch of sugar. This is the home-style version from a Cantonese household — lots of sauce, soft eggs, ladled over rice.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
鸡蛋 eggs	4 large	4 large	
番茄 ripe tomatoes	3 medium (~450 g)	3 medium	
食用油 neutral oil (vegetable/peanut)	3 tbsp (45 ml)	3 tbsp	
小葱 scallions, finely sliced	2 stalks	2 stalks	
盐 salt	1/2 tsp	1/2 tsp	
白糖 sugar	1 tsp	1 tsp	中和番茄的酸味——这是家常版的“秘诀”。
生抽（可选） light soy sauce (optional)	1/2 tsp	1/2 tsp	

做法步骤 Steps

1. 鸡蛋加 1/4 茶匙盐打散，直到蛋黄完全打匀。番茄切成一口大小的块。

Beat the eggs with 1/4 tsp salt until the yolks are fully broken. Cut tomatoes into bite-size wedges.

参考：打约 30 秒判断：提起叉子时蛋液呈顺滑带状流下

Time: about 30 seconds of beating Check: Fork leaves a smooth ribbon when lifted

2. 锅中放 2 汤匙油，中大火加热至油面微微波动。倒入蛋液。

Heat 2 tbsp oil in a wok or large skillet over medium-high until shimmering. Pour in the eggs.

火候：medium-high 参考：30-40 秒判断：边缘变浅金色，且能轻松从锅底脱离

Heat: medium-high Time: 30-40 seconds Check: Edges turn light golden and release easily from the pan

3. 把鸡蛋炒到刚刚凝固（还带一点光泽）就盛出装盘。不要炒过头——之后还要回锅裹汁。

Scramble the eggs just until softly set (still a little glossy), then scoop them out onto a plate. Don't overcook — they finish in the sauce.

参考：共 45-60 秒 判断：没有生蛋液残留，但蛋块依然湿润

Time: 45-60 seconds total Check: No raw liquid left, but curds still look moist

4. 加入剩余 1 汤匙油和番茄，放 1/4 茶匙盐，中大火翻炒。

Add the remaining 1 tbsp oil and the tomatoes with 1/4 tsp salt. Saut é over medium-high.

火候：medium-high 参考：2-3 分钟 判断：边缘变半透明，锅里出现粉红色汤汁

Heat: medium-high Time: 2-3 minutes Check: Edges go translucent and the pan fills with pink juice

5. 用锅铲按压几块番茄挤出更多汤汁。加入白糖（以及生抽，如果用的话）。

Press a few wedges with your spatula to release more juice. Add the sugar (and soy, if using).

参考：1 分钟 判断：汤汁在冒泡，而不是被烧干

Time: 1 minute Check: Juice is actively bubbling, not evaporating to dryness

6. 把鸡蛋倒回锅中，轻轻翻炒 20 秒让蛋块裹上汤汁。最后撒上葱花。

Return the eggs to the pan and toss gently for 20 seconds so they soak up the sauce. Finish with scallions.

参考：20-30 秒 判断：汤汁挂在蛋块上

Time: 20-30 seconds Check: Sauce clings to the egg curds

厨师小贴士 Chef's Tips

- 趁热浇在白米饭上——汤汁才是灵魂。
- Serve immediately over steamed rice — the sauce is the point.
- 熟透的软番茄才能炒出好汤汁。番茄偏硬时，烹制中加 2 汤匙水。
- Ripe, soft tomatoes make the best sauce. If tomatoes are hard, add 2 tbsp water while cooking.
- 家常版里糖不能省：正是它让这道菜尝起来是“家常味”而不是酸味。
- The sugar is not optional in the home version: it's what makes it taste like 家常, not sour.

02 蛋炒饭 Egg Fried Rice (蛋炒饭)

菜系：家常菜（Home-style） | 地区：全国各地（剩饭经典） | 难度：简单 | 时长：约 15 分钟 | 份量：2 人份
标签：15-min、leftover、beginner、weeknight、budget

终极剩饭料理：隔夜饭 + 鸡蛋 + 冰箱里随便什么。每个中国家庭都有自己的版本。两条铁律：用冷饭，别炒太狠。

The ultimate leftover dish: day-old rice + egg + whatever's in the fridge. Every Chinese household has a version. The two rules: cold rice, and don't stir too much.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
隔夜米饭 day-old cold cooked rice (ideally overnight)	300 g (about 2 cups)	2 cups	新鲜米饭太黏——需要的话摊开冷藏 1 小时。
鸡蛋 eggs	2 large	2 large	
小葱 scallions, chopped, white & green separated	3 stalks	3 stalks	
生抽 light soy sauce	1 tbsp	1 tbsp	
食用油 neutral oil	2 tbsp	2 tbsp	
盐 salt	1/4 tsp	1/4 tsp	
配料（豌豆/腊肠等） optional: peas, ham, char siu, or lap cheong	1/2 cup	1/2 cup	

做法步骤 Steps

1. 用手把冷饭搓散，确保没有结块。这是最重要的一步。

Break up the cold rice with your hands so there are no clumps. This is the single most important step.

参考：1 分钟 判断：米饭手感干爽松散

Time: 1 minute Check: Rice feels dry and loose

2. 鸡蛋加盐打散。锅中放 1 汤匙油，中大火加热。倒入蛋液炒至刚刚凝固，推到一边。

Beat the eggs with the salt. Heat 1 tbsp oil in a wok over medium-high. Add eggs and scramble until just set, then push to one side.

火候：medium-high 参考：40-60 秒 判断：没有生蛋液；蛋块依然湿润

Heat: medium-high Time: 40-60 seconds Check: No raw liquid; curds still moist

3. 下葱白部分和可选配料（火腿、豌豆）。翻炒 30 秒。

Add the white scallion parts and any optional add-ins (ham, peas). Stir-fry 30 seconds.

火候：medium-high 参考：30 秒 判断：香气四溢，边缘微微上色

Heat: medium-high Time: 30 seconds Check: Fragrant, edges barely browning

4. 下米饭和剩余 1 汤匙油。用锅铲轻轻翻拌按压，让每粒米都裹上油——不要压碎。

Add the rice and the remaining 1 tbsp oil. Toss and press gently with the spatula to coat every grain — don't mash.

火候：high 参考：2-3 分钟 判断：米粒开始“跳舞”，在锅里微微跳动

Heat: high Time: 2-3 minutes Check: Grains start to 'dance' and jump slightly in the pan

5. 把米饭推到一边，在空处倒入生抽，让其滋啦 5

秒再翻拌均匀。（这种“炆酱油”能去掉生酱味。）

Push rice to one side, pour soy sauce into the empty side, let it sizzle 5 seconds, then fold through. (This 'wok-ting' the soy removes raw sauce taste.)

火候：high 参考：5-10 秒 判断：蒸汽闻起来是焦香，而不是生酱油味

Heat: high Time: 5-10 seconds Check: Steam smells roasted, not raw-soy

6. 拌入葱花。立即出锅。

Fold in the green scallions. Serve immediately.

判断：米粒颗颗分离，热气升腾

Check: Each grain separate, steam rising

厨师小贴士 Chef's Tips

- 冷饭是硬性要求——新鲜米饭会炒成糊。
- Cold rice is non-negotiable — fresh rice turns to paste.
- 别过度翻炒；让米饭落锅后颠勺翻动，而不是压捣。
- Don't over-stir; let the rice hit the pan and toss instead of mashing.
- 加腊肠 + 出锅前几滴香油 = 立刻升级。
- Lap cheong (Chinese sausage) + a few drops of sesame oil at the end = instant upgrade.

03 红烧豆腐 Braised Tofu (红烧豆腐)

菜系：家常菜（Home-style） | 地区：全国家常（江南一带最爱） | 难度：简单 | 时长：约 20 分钟 | 份量：3 人份
标签：30-min、weeknight、vegetarian-ok、comfort、tofu、braised | 饮食：vegetarian

红烧是中国东部家庭烹饪的看家技法：老抽上色、糖提亮、文火慢煨。红烧豆腐就是普通家庭的红烧肉平替——一样的红亮酱汁，价格却只是零头。江南人家常用泡香菇的水来烧，让一块普通豆腐吃出满满的故事感。

红烧 is the great home-cooking technique of eastern China: dark soy for color, sugar for shine, and a long, patient simmer. Braised tofu is the budget family's version of red-braised pork — the same glossy sauce, a fraction of the cost. In Jiangnan households it's often made with shiitake mushroom soaking water, which turns an ordinary block of tofu into something that tastes like a much longer story.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
老豆腐 firm tofu	400 g	1 block (about 14 oz)	老豆腐耐烧不散；嫩豆腐会碎。
干香菇 dried shiitake mushrooms, soaked (reserve the soaking water)	4 pieces (about 15 g dry)	4 medium (dry)	泡菇水代替高汤——这就是秘诀。
拍蒜 garlic, smashed	3 cloves	3 cloves	
姜片 ginger, sliced	3 slices	3 slices	
小葱 scallions, white and green parts separated	2 stalks	2 stalks	
生抽 light soy sauce	1.5 tbsp	1.5 tbsp	
老抽 dark soy sauce	1 tsp	1 tsp	只用来上色——它不是咸味的来源。
糖 sugar (rock sugar if you have it)	1 tsp	1 tsp	冰糖的亮泽最漂亮。
料酒 Shaoxing wine	1 tbsp	1 tbsp	

水淀粉 cornstarch slurry (1 tbsp cornstarch + 2 tbsp water)	3 tbsp total	3 tbsp total	
食用油 neutral oil	2 tbsp	2 tbsp	

做法步骤 Steps

1. 豆腐切 1.5 厘米厚的块，放厨房纸上沥干。泡发的香菇切片（留 200 毫升泡菇水）。
Slice tofu into 1.5 cm thick rectangles. Drain on paper towels. Slice rehydrated shiitake (keep 200 ml of the soaking water).
判断：豆腐不再渗水
Check: Tofu no longer weeps water

2. 锅中热油，中大火。豆腐单层煎至两面金黄后盛出。
Heat oil in a skillet over medium-high. Sear tofu in a single layer until golden on both sides. Remove.
火候：medium-high 参考：每面 2-3 分钟 判断：豆腐在锅中能轻松滑动
Heat: medium-high Time: 2-3 minutes per side Check: Tofu slides easily in the pan

3. 转中火，下蒜、姜和香菇片，翻炒 30 秒出香。
Lower to medium. Add garlic, ginger, and shiitake slices. Stir 30 seconds until fragrant.
火候：medium 参考：30 秒 判断：香气扑鼻——别等蒜片变焦
Heat: medium Time: 30 seconds Check: Fragrant — before the garlic turns brown

4. 加入生抽、老抽、糖和料酒，翻炒 20 秒——酱汁变深，甜咸香扑鼻。
Add light soy, dark soy, sugar, and Shaoxing wine. Stir 20 seconds — the sauce should darken and smell sweet-savory.
火候：medium 参考：20 秒 判断：糖已融化，酱汁有焦糖香而不糊
Heat: medium Time: 20 seconds Check: Sugar has dissolved and sauce smells caramelized, not burnt

5. 倒入预留的泡菇水（200 毫升）。放回豆腐，煮开后小火煨 6-8 分钟，期间不时把汤汁浇在豆腐上。
Pour in the reserved shiitake water (200 ml). Return the tofu, bring to a simmer, and cook 6-8 minutes, spooning sauce over the tofu occasionally.
火候：medium-low 参考：6-8 分钟 判断：汤汁收掉一半且变得油亮
Heat: medium-low Time: 6-8 minutes Check: Sauce has reduced by half and turns glossy
小贴士：忍住别翻——用勺子浇汁保持豆腐完整。
Tip: Resist the urge to stir — a gentle spoon-over keeps the tofu intact.

6. 倒入一半水淀粉，晃动锅身让汤汁变稠。想要更浓的芡再补。
Add half the cornstarch slurry; swirl the pan to thicken. Add more slurry only if you want a heavier coat.
参考：30-60 秒 判断：酱汁能挂在勺背而不滑落
Time: 30-60 seconds Check: Sauce coats the back of a spoon without running off

7. 关火，撒上葱花。配米饭吃。
Off heat, scatter the green scallions. Serve over steamed rice.
判断：酱汁如漆亮——立刻上桌
Check: Glaze looks lacquered — serve immediately

厨师小贴士 Chef's Tips

- 泡菇水是全部秘诀——它用浓郁的鲜味代替高汤。
- The shiitake soaking water is the whole trick — it replaces stock with deep umami.
- 老抽只负责上色；别超出一茶匙。
- Dark soy is for color only; don't let anyone convince you to add more than a teaspoon.
- 豆腐要单层煎；挤在一起会变成蒸豆腐。
- Sear the tofu in a single layer; crowded tofu steams and loses its crust.

- 剩的红烧豆腐隔夜更好吃——酱汁越浸越入味。
- Leftover braised tofu tastes even better the next day — the sauce keeps soaking in.

04 家常豆腐 Home-style Tofu (家常豆腐)

菜系：家常菜（Home-style） | 地区：川渝家常，全国流行 | 难度：简单 | 时长：约 25 分钟 | 份量：3 人份
标签：30-min、weeknight、vegetarian-ok、comfort、tofu | 饮食：vegetarian

在四川家庭里，家常豆腐是奶奶想做一道比麻婆豆腐更实在的豆腐菜时的选择。豆腐先煎——那层金黄微韧的皮叫“虎皮”，正是它让豆腐块吸饱汤汁却不散架。每家酱汁都略有不同；这一版用豆瓣酱打底，几片五花肉增香，再加冰箱里现成的蔬菜。

In Sichuan homes, 家常豆腐 is the tofu dish grandma makes when she wants something heartier than mapo. The tofu is pan-fried first — that golden, slightly chewy skin is called the 'tiger skin' (虎皮), and it's what lets the squares soak up sauce without falling apart. Every family's sauce is a little different; this one uses doubanjiang for the red base, a few pork slices for richness, and whatever vegetables are in the fridge.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
老豆腐 firm tofu	400 g	1 block (about 14 oz)	用老豆腐或硬豆腐——煎出脆壳需要结构支撑。
五花肉片 pork belly or shoulder, thin slices	100 g	about 3.5 oz	可选——素食版不放。
青椒 green bell pepper, cut into squares	1 (about 150 g)	1 medium	
胡萝卜 carrot, thinly sliced	1/2 (about 60 g)	1/2 medium	
黑木耳 dried wood ear mushrooms, soaked	10 g (dry)	small handful (dry)	温水泡 20 分钟；没有可省，多放一种蔬菜即可。
郫县豆瓣酱 doubanjiang (fermented chili bean paste)	1 tbsp	1 tbsp	
生抽 light soy sauce	1 tbsp	1 tbsp	
蒜片 garlic, sliced	3 cloves	3 cloves	
姜片 ginger, sliced	3 slices	3 slices	
小葱 scallions, chopped	2 stalks	2 stalks	

水淀粉 cornstarch slurry (1 tbsp cornstarch + 2 tbsp water)	3 tbsp total	3 tbsp total	
食用油 neutral oil	3 tbsp	3 tbsp	

做法步骤 Steps

1. 豆腐切成 1.5

厘米厚的片，再切三角或方块。用厨房纸彻底吸干水分——干豆腐才能煎出脆壳而不溅油。

Cut tofu into 1.5 cm thick slices, then into triangles or squares. Pat completely dry with paper towels — dry tofu sears instead of splattering.

判断：纸巾按上去几乎不湿

Check: Paper towel comes away nearly dry

小贴士：硬豆腐几乎不用压；稍软的豆腐压 10 分钟更好。

Tip: Extra-firm tofu needs almost no pressing; soft-firm tofu benefits from 10 minutes under a light weight.

2. 锅中放 2 汤匙油，中大火加热。豆腐单层铺开煎至深金黄，每面约 3 分钟。盛出备用。

Heat 2 tbsp oil in a skillet over medium-high. Fry tofu in a single layer until deep golden, about 3 minutes per side. Set aside.

火候：medium-high 参考：每面 3 分钟 判断：豆腐能轻松离锅——说明可以翻面了

Heat: medium-high Time: 3 minutes per side Check: Tofu releases from the pan easily — it's ready to flip

3. 转中火，加剩余 1 汤匙油。下五花肉片炒至出油、边缘微焦。

Lower heat to medium, add remaining 1 tbsp oil. Fry pork slices until they start to render and brown slightly at the edges.

火候：medium 参考：2-3 分钟 判断：肥肉出油，锅底泛着油光

Heat: medium Time: 2-3 minutes Check: Fat has rendered and the pan bottom glistens

小贴士：素食版：跳过猪肉，直接从第 4 步开始，豆瓣酱多加 1 茶匙。

Tip: Vegetarian: skip the pork and start directly at step 4 with an extra teaspoon of doubanjiang.

4. 加入豆瓣酱、蒜片和姜片，翻炒 1 分钟至油变红、香气扑鼻。

Add doubanjiang, garlic, and ginger. Stir-fry 1 minute until the oil turns red and smells fragrant.

火候：medium 参考：1 分钟 判断：香气浓郁锐利——别等酱色发黑

Heat: medium Time: 1 minute Check: Sharp, rich aroma — before the paste darkens or burns

5. 加入胡萝卜和木耳翻炒 1 分钟。放回豆腐，加生抽和 1 杯水（250 毫升）。煮开后小火煨 5 分钟。

Add carrot and wood ear, stir 1 minute. Return tofu, add soy sauce and 1 cup water (250 ml). Bring to a simmer and cook 5 minutes.

火候：medium-low 参考：5 分钟 判断：汤汁收掉约三分之一

Heat: medium-low Time: 5 minutes Check: Sauce has reduced by about a third

6. 加入青椒和一半水淀粉，轻轻推汁（不要翻动豆腐）至汤汁油亮。想要更浓稠再加剩下的水淀粉。

Add green pepper and half the cornstarch slurry. Push the sauce gently (don't stir the tofu) until it turns glossy. Add the rest if you want a thicker coat.

参考：30-60 秒 判断：勺子划过留下清晰痕迹

Time: 30-60 seconds Check: Spoon leaves a clear trail through the sauce

7. 关火，拌入葱花。趁热配米饭吃。

Off heat, fold in scallions. Serve immediately with steamed rice.

判断：趁热浇在米饭上

Check: Serve hot over rice

厨师小贴士 Chef's Tips

- 吸干豆腐水分是最关键的一步——湿豆腐永远煎不出脆壳。
- Patting the tofu dry is the single most important step — wet tofu never crisps.

- 豆瓣酱本身很咸——加盐前先尝味。
- Doubanjiang is salty; taste before adding any extra salt.
- 一定要单层煎：挤在一起会变成蒸豆腐而不是煎豆腐。
- Frying in a single layer matters: overcrowding steams the tofu instead of searing it.
- 这是道“清冰箱”菜：香菇、西葫芦、白菜都能加。
- This is a 'clean-out-the-fridge' dish: mushrooms, zucchini, or cabbage all work.

05 葱油拌面 Scallion Oil Noodles (葱油拌面)

菜系：家常菜（Home-style） | 地区：上海 | 难度：中等 | 时长：约 30 分钟 | 份量：2 人份
标签：comfort、vegetarian、weeknight | 饮食：vegetarian

葱油拌面是上海街头小吃的代表——简单的小麦面条拌上深 caramelized 的葱油，加一点生抽和糖。秘诀在于葱油：慢火炸葱至深褐色酥脆，让油充分吸收葱的甜味。这道菜证明中式 comfort food 不需要复杂也能深深满足。

Scallion oil noodles (葱油拌面) are a Shanghai street food icon — humble wheat noodles tossed in deeply caramelized scallion-infused oil with a touch of soy and sugar. The magic is in the scallion oil: slow-frying scallions until they are dark brown and crispy, infusing the oil with sweet allium flavor. This dish proves that Chinese comfort food doesn't need to be complicated to be deeply satisfying.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
小麦面（或拉面） wheat noodles (or ramen)	200 g	7 oz	
大葱段，3 寸长 scallions, cut into 3-inch sections	6 stalks	6 stalks	
食用油（菜籽油或花生油） neutral oil (canola or peanut)	4 tbsp	4 tbsp	
生抽 light soy sauce	2 tbsp	2 tbsp	
白糖 white sugar	1 tsp	1 tsp	

做法步骤 Steps

- 面条沸水加盐煮熟，按包装说明时间。捞出过冷水沥干备用。
Cook noodles in salted boiling water according to package directions. Drain and rinse briefly under cold water to stop cooking. Set aside.
判断：咬开无硬芯
Check: No hard center when bitten
- 小锅中放油，中小火加热。葱段平铺入锅。
Heat neutral oil in a small saucepan over medium-low heat. Add scallion sections in a single layer.
火候：medium-low 判断：油温约150度，葱嘶响但不冒烟
Heat: medium-low Check: Oil is at 150 ° C — scallions sizzle without smoking
- 慢炸葱段，偶尔翻动，8-10 分钟至深褐色酥脆。油会变成琥珀色。
Slow-fry scallions, turning occasionally, for 8-10 minutes until deeply browned and crispy. The oil will turn amber-colored.
火候：medium-low 参考：8-10 分钟 判断：葱深褐酥脆，不焦

Heat: medium-low Time: 8-10 minutes Check: Scallions are dark brown and crisp, not burnt

4. 捞出葱段。热油中加生抽、糖，搅 10 秒至糖融化。

Remove scallions with a slotted spoon. Add soy sauce and sugar to the hot oil, stir 10 seconds until sugar dissolves.

判断：糖完全融化，酱汁光亮

Check: Sugar fully dissolved, sauce glossy

5. 下面条入酱汁，用筷子或夹子快速翻炒均匀。

Add cooked noodles to the sauce. Toss vigorously with chopsticks or tongs to coat every strand evenly.

判断：每根面条都裹上酱，酱汁挂面

Check: Every strand is coated, sauce clings to noodles

6. 撒上炸葱，立即上桌趁热吃。

Top with fried scallions. Serve immediately while hot.

判断：热气升腾，现在吃最佳

Check: Steam rising, best eaten now

厨师小贴士 Chef's Tips

- 葱油是灵魂——不要急火。小火慢炸才能激发葱的甜味。
- The scallion oil is the star — do not rush the frying. Low and slow brings out the sweet allium flavor.
- 用葱白部分（最白的末端）颜色最深、风味最好。
- Use the darkest scallion sections (the white ends) for the best color and flavor.
- 这道菜天生纯素，用味醂代替生抽就是无麸质。
- This dish is naturally vegan and gluten-free if you use tamari instead of soy sauce.
- 炸葱可以提前做多批，冷藏保存一周。
- The fried scallions can be made ahead and stored in the fridge for up to a week.

06 番茄鸡蛋面 Tomato Egg Noodles (番茄鸡蛋面)

菜系：家常菜（Home-style） | 地区：华北 | 难度：简单 | 时长：约 25 分钟 | 份量：2 人份
标签：comfort、quick、weeknight、30-min

番茄鸡蛋面是北方家常 comfort food 的终极代表——一碗暖心的家常味道。秘诀是把番茄炒化成浓稠微甜的酱汁裹住面条，再淋入嫩滑的蛋花。这是每个中国孩子学会做的第一道菜。

Tomato egg noodles (番茄鸡蛋面) are the ultimate Northern Chinese comfort food — a simple one-bowl meal that tastes like home. The secret is breaking down the tomatoes into a rich, slightly sweet sauce that clings to the noodles, then swirling in silky egg ribbons. It is the dish every Chinese child learns to make.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
小麦面（或拉面） wheat noodles (or ramen)	200 g	7 oz	
熟番茄，去皮切丁 ripe tomatoes, peeled and diced	2 large	2 large	
鸡蛋，打散 eggs, beaten	2	2 large	
食用油 neutral oil	1 tbsp	1 tbsp	
生抽 light soy sauce	1 tsp	1 tsp	
白糖 sugar	1 tsp	1 tsp	
水 water	400 ml	about 1 2/3 cup	
葱花（装饰） scallion, chopped (garnish)	2 stalks	2 stalks	

做法步骤 Steps

- 番茄底部划十字，沸水焯30秒后过冰水，去皮切丁。
Score an X on the bottom of each tomato and blanch in boiling water for 30 seconds. Transfer to ice water, then peel off the skin. Dice the tomatoes.
参考：30 秒 判断：皮肉分离清晰
Time: 30 seconds Check: Skin separates from flesh cleanly
- 面条沸水加盐煮熟，保留半杯面汤，沥干。

Cook noodles in salted boiling water according to package directions. Reserve 1/2 cup noodle water, then drain.

判断：咬开无硬芯

Check: No hard center when bitten

3. 锅中放油中大火加热。倒入蛋液，滑炒至刚凝固但仍嫩滑，盛出备用。

Heat oil in a wok over medium-high. Pour in beaten eggs and scramble until just set but still soft. Remove and set aside.

火候：medium-high 参考：30 秒 判断：蛋九分熟，表面仍光亮

Heat: medium-high Time: 30 seconds Check: Eggs are 90% set but still glossy

4. 同锅下番茄丁，中火炒3-4分钟，用锅铲压碎成酱。

In the same wok, add diced tomatoes. Cook 3-4 minutes, pressing against the wok to break them down into a sauce.

火候：medium 参考：3-4 分钟 判断：番茄油析出，表面泛油光

Heat: medium Time: 3-4 minutes Check: Oils separate and surface glistens

5. 加入面汤、生抽、糖，烧开。下面条和炒蛋，翻匀。

Add noodle water, soy sauce, and sugar. Bring to a boil, then add noodles and scrambled eggs. Toss to coat.

判断：酱汁挂面，锅底无积液

Check: Sauce clings to noodles, no pooling

6. 撒葱花，深碗上桌。

Garnish with scallions. Serve immediately in deep bowls.

判断：立即食用口感最佳

Check: Eat immediately for best texture

厨师小贴士 Chef's Tips

- 用熟透的番茄——更甜更易化开。
- Use very ripe tomatoes — they are sweeter and break down easier.
- 保留面汤——淀粉帮助自然浓稠酱汁。
- Reserve the noodle water — the starch helps thicken the sauce naturally.
- 不要炒老蛋——它们在酱汁里还会继续熟。
- Do not overcook the eggs — they finish cooking in the sauce.
- 如果用无麸质面条，这道菜天生无麸质。
- This dish is naturally gluten-free if you use GF noodles.

07 阳春面 Yangchun Noodles (阳春面)

菜系：淮扬菜（Huaiyang） | 地区：江苏 | 难度：简单 | 时长：约 20 分钟 | 份量：2 人份
标签：comfort、quick、weeknight、simple、noodles

阳春面相当于面条界的留白——看似简单，极难做好，但温暖治愈。"阳春"指清澈的淡色汤底，如同春日初暖。南京和上海各有版本，但原则一致：好汤、好面、一撮葱。

阳春面 is the noodle equivalent of a blank canvas — deceptively simple, impossible to perfect, and deeply comforting. The name means "spring face" and refers to the clear, pale broth that looks like the first warm days of spring. Nanjing and Shanghai variants exist, but the principle is universal: great broth, good noodles, a pinch of scallion.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
细小麦面条 wheat noodles (thin, fresh if possible)	200 g	7 oz	细鸡蛋面或拉面风格小麦面均可。避开粗乌冬或韧性素面。
高汤 chicken stock (or good-quality instant stock)	600 ml	2½ cups	自制最佳；临时用速溶鸡高汤块兑水也可。
生抽 light soy sauce	1½ tbsp	1½ tbsp	
香油 sesame oil	½ tsp	½ tsp	
葱花 scallions, finely sliced	2 stalks	2 stalks	
白胡椒粉 white pepper	¼ tsp	¼ tsp	
盐 salt	½ tsp	½ tsp	

做法步骤 Steps

- 在 individual 碗中混合生抽、香油、白胡椒和盐。
In individual serving bowls, combine light soy sauce, sesame oil, white pepper, and salt.
判断：Soy sauce, sesame oil, and salt are visible as separate layers before stirring
Check: Soy sauce, sesame oil, and salt are visible as separate layers before stirring
- 大锅烧水至滚沸，准备下面条。
Bring a large pot of water to a rolling boil for the noodles.
- 每碗倒入300毫升沸高汤，搅匀至调味料融化。汤底清澈微金。

Pour 300 ml boiling chicken stock into each bowl and stir to dissolve the seasonings. The broth should be clear and pale golden.

判断：调味料完全融化；表面有薄薄香油膜

Check: Seasonings fully dissolved; a thin film of sesame oil on surface

4. 面条沸水煮至包装时间。充分沥干——多余水分会稀释汤底。

Cook noodles in boiling water according to package timing. Drain well — excess water dilutes the broth.

5. 面条倒入汤碗。顶部堆满细葱花。立即上桌。

Transfer noodles to the broth bowls. Top with a generous mound of finely sliced scallions. Serve immediately.

判断：汤清香气扑鼻；无生蛋或生麦味

Check: Clear, aromatic broth; no raw egg or wheat smell

厨师小贴士 Chef's Tips

- 汤底决定一切——用你能找到的最好高汤。
- The broth quality is everything — use the best stock you can find.
- 面条别煮过头——保持 al dente。
- Don't overcook the noodles — they should be just al dente.
- 加一颗溏心蛋（水煮9分钟）就能升级为完整一餐。
- A soft-boiled egg (9 minutes) added on top elevates this to a full meal.

08 紫菜蛋花汤 Seaweed Egg Drop Soup

(紫菜蛋花汤)

菜系：家常菜（Home-style） | 地区：华北 | 难度：简单 | 时长：约 15 分钟 | 份量：2 人份
标签：soup、quick、30-min、beginner | 饮食：gluten-free

紫菜蛋花汤是最常见的中式家常汤——清淡鲜美，几分钟搞定。是每位中国奶奶在家人身体不适时必做的汤。秘诀是将打散的蛋液旋入微沸的高汤中，形成细腻的蛋花而非蛋块。

Seaweed egg drop soup (紫菜蛋花汤) is the most common Chinese home soup — light, umami-rich, and ready in minutes. It is the soup every Chinese grandmother makes when someone is feeling under the weather. The trick is swirling the beaten egg into simmering broth to create delicate ribbons, not curds.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
干紫菜 dried seaweed (zicai / laver sheets)	5 g	about 2 sheets	
鸡蛋，打散 eggs, beaten	2 large	2 large	
香油 toasted sesame oil	1 tsp	1 tsp	
生抽 light soy sauce	1/2 tsp	1/2 tsp	
葱花（装饰） scallion, finely chopped (garnish)	1 stalk	1 stalk	
热水或鸡汤 hot water or chicken broth	500 ml	about 2 cups	
盐 salt	1/2 tsp	1/2 tsp	
白胡椒粉 white pepper	1/4 tsp	1/4 tsp	

做法步骤 Steps

1. 干紫菜温水泡发 2-3 分钟，沥干，撕成适口大小。
Rehydrate the dried seaweed in a bowl of warm water for 2-3 minutes. Drain and tear into bite-sized pieces if needed.
参考：2-3 分钟 判断：紫菜柔韧不脆硬
Time: 2-3 minutes Check: Seaweed is pliable, not brittle

2. 锅中加水或鸡汤烧开，加入生抽、盐、白胡椒粉调味。

Bring water or broth to a rolling boil in a pot. Season with soy sauce, salt, and white pepper.

火候：high 参考：2-3 分钟 判断：汤面翻滚，蒸汽充足

Heat: high Time: 2-3 minutes Check: Surface is agitated and steaming heavily

3. 加入沥干的紫菜，煮 30 秒——紫菜只需热透即可。

Add the drained seaweed to the boiling broth. Cook for 30 seconds — seaweed only needs to heat through.

参考：30 秒 判断：紫菜温热柔软

Time: 30 seconds Check: Seaweed is warm and pliable

4. 转中小火使汤保持微沸状态。沿锅边缓慢倒入蛋液，同时朝一个方向轻搅。

Reduce heat to medium-low so the broth is just simmering. Slowly drizzle the beaten eggs in a thin stream while gently stirring in one direction.

火候：medium-low 参考：20-30 秒 判断：蛋花刚凝固，仍光亮嫩滑

Heat: medium-low Time: 20-30 seconds Check: Eggs are just set but still glossy and tender

5. 立即离火，淋香油，撒葱花。趁热上桌。

Immediately remove from heat. Drizzle with sesame oil, garnish with chopped scallions. Serve hot.

判断：立即食用——蛋花久煮会变老

Check: Eat immediately — egg ribbons will overcook if left on heat

厨师小贴士 Chef's Tips

- 加蛋后不要继续沸腾——余温足以煮熟蛋花。久煮会让蛋变韧。
- Do not boil after adding eggs — the residual heat will finish cooking them. Over-boiling makes eggs rubbery.
- 倒蛋液时汤越滚越好——蛋花最蓬松。
- Use the hottest broth possible when adding eggs for the fluffiest ribbons.
- 干紫菜片（海苔片）在亚超干货区有售，一人一片足够。
- Dried seaweed sheets (laver) are available in Asian supermarkets in the dried goods aisle. One sheet per person is plenty.
- 想用浓郁版？用自制鸡汤代替清水。
- For a richer version, use homemade chicken stock instead of water.

09 番茄蛋花汤 Tomato Egg Drop Soup (番茄蛋花汤)

菜系：家常菜 (Home-style) | 地区：华北 | 难度：简单 | 时长：约 18 分钟 | 份量：2 人份
标签：soup、quick、30-min、vegetarian-option | 饮食：vegetarian、gluten-free

番茄蛋花汤把中式家常菜最经典的两样食材——番茄和鸡蛋——融于一锅，酸、甜、暖。是中式家庭不想做饭时的首选。秘诀是先把番茄炒化成酱再加水，这样汤底自然浓稠鲜香。

Tomato egg drop soup (番茄蛋花汤) combines the two most beloved Chinese home ingredients — tomatoes and eggs — into a soup that is simultaneously sour, sweet, and comforting. It is the soup Chinese people make when they want something warm and fast. The key is sautéing the tomatoes until they break down into a 酱 before adding water, which creates a naturally thick and flavorful broth.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
熟番茄，去皮切丁 ripe tomatoes, peeled and diced	2 large (400 g)	2 large (14 oz)	
鸡蛋，打散 eggs, beaten	2 large	2 large	
食用油 neutral cooking oil	1 tbsp	1 tbsp	
蒜末 garlic, minced	2 cloves	2 cloves	
盐 salt	1/2 tsp	1/2 tsp	
白糖 sugar	1/2 tsp	1/2 tsp	
热水 hot water	600 ml	about 2 1/2 cups	
葱花（装饰） scallion, chopped (garnish)	1 stalk	1 stalk	
香油 toasted sesame oil	1/2 tsp	1/2 tsp	

做法步骤 Steps

1. 番茄底部划十字，沸水焯 30 秒后过冰水，去皮切 1 cm 丁。

Score an X on the bottom of each tomato and blanch in boiling water for 30 seconds. Transfer to ice water, then peel off the skin.

Dice the tomatoes into 1 cm pieces.

参考：30 秒 判断：皮肉完整分离

Time: 30 seconds Check: Skin separates from flesh in one piece

2. 锅中放油中大火加热，下蒜末爆香 10 秒。

Heat oil in a wok or pot over medium-high. Add minced garlic and stir-fry for 10 seconds until fragrant.

火候：medium-high 参考：10 秒 判断：蒜香浓郁但未焦

Heat: medium-high Time: 10 seconds Check: Garlic is fragrant but not browned

3. 下番茄丁加一小撮盐，中火炒 5-6 分钟，用锅铲压番茄助其化开成酱。

Add diced tomatoes and a pinch of salt. Cook 5-6 minutes, pressing against the wok to help them break down into a saucy consistency.

火候：medium 参考：5-6 分钟 判断：番茄油和汁水析出，锅底挂酱

Heat: medium Time: 5-6 minutes Check: Oils and tomato juices separate, mixture coats the wok

4. 倒入热水，加糖和盐调味，烧开转中小火保持微沸。

Pour in hot water. Add sugar and salt to taste. Bring to a boil, then reduce to a steady simmer.

判断：汤面均匀小泡翻滚

Check: Soup is bubbling gently across the surface

5. 沿锅边缓慢倒入蛋液，轻搅一圈。静置 10 秒让蛋花定型，再轻推散开。

Slowly drizzle beaten eggs in a thin stream while stirring gently in one direction. Let sit for 10 seconds, then gently push the egg ribbons around.

火候：medium-low 参考：10 秒 判断：蛋花刚凝固，仍光亮颤动

Heat: medium-low Time: 10 seconds Check: Eggs are just set, still glossy and jiggly

6. 淋香油，撒葱花，趁热上桌。

Drizzle with sesame oil, garnish with scallions. Serve immediately while hot.

判断：立即食用蛋花口感最佳

Check: Best eaten immediately for optimal egg texture

厨师小贴士 Chef's Tips

- 番茄一定要熟透——熟番茄的天然甜味能平衡酸度。生番茄会让汤过酸。
- The tomatoes must be very ripe — ripe tomatoes provide natural sweetness that balances the acid. Under-ripe tomatoes make the soup sour.
- 加蛋后不要狂搅——先静置 10 秒再轻推，这样蛋花大且好看。
- Do not over-stir after adding eggs — let them set for 10 seconds before gently pushing. This creates large, showy ribbons instead of shreds.
- 一小撮糖必不可少——平衡番茄酸味，但不会让汤变甜。
- A pinch of sugar is essential — it balances the tomato acidity without making the soup sweet.
- 想要餐厅级浓稠口感？出锅前淋入半茶匙淀粉水勾薄芡。
- For a restaurant-style version, add a teaspoon of cornstarch slurry at the end to slightly thicken the broth.

10 冬瓜排骨汤 Winter Melon Pork Rib Soup (冬瓜排骨汤)

菜系：粤菜（Cantonese） | 地区：广东 | 难度：中等 | 时长：约 90 分钟 | 份量：4 人份
标签：soup、Cantonese、slow-cook、comfort、family | 饮食：gluten-free

冬瓜排骨汤是广式 comfort soup 的代表，体现老火汤的哲学——长时间慢火熬煮，骨头的鲜味全然释放，冬瓜吸收汤汁变得丝滑。是广东家庭的常客，尤其夏季——冬瓜的清凉属性备受推崇。这道汤需要耐心，但回报是无与伦比的清澈鲜香。

Winter melon pork rib soup (冬瓜排骨汤) is a Cantonese comfort soup that embodies the philosophy of 老火汤 — long, slow simmering extracts every ounce of flavor from the bones while the winter melon absorbs the broth and becomes silky. It is a staple in Cantonese households, especially during summer when the cooling properties of winter melon are prized. The soup requires patience but delivers an extraordinary depth of clean, savory flavor with zero heaviness.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
猪排骨，切 5 cm 段 pork ribs, cut into 5 cm segments	500 g	1.1 lbs	
冬瓜，去皮切 3 cm 块 winter melon, peeled and cut into 3 cm chunks	600 g	1.3 lbs	
老姜，切 4 片 ginger, sliced into 4 rounds	15 g	about 1/2 inch slice	
大葱结（煲汤用） scallion, knotted (for simmering)	1 stalk	1 stalk	
料酒 Shaoxing wine	1 tbsp	1 tbsp	
冷水 cold water	1.5 L	about 6 cups	
盐 salt	1 tsp	1 tsp	
白胡椒粉 white pepper	1/4 tsp	1/4 tsp	

做法步骤 Steps

1. 排骨焯水：冷水下锅，大火烧开后煮 3 分钟，撇去浮沫。捞出用冷水冲洗。这一步去除杂质，确保汤清。

Blanch the pork ribs: place ribs in a pot of cold water, bring to a boil over high heat. Boil for 3 minutes to release scum. Drain and rinse ribs under cold running water. This step removes impurities and ensures a clear broth.

火候：high 参考：3 分钟 判断：浮沫充分释放，水浑浊，需倒掉

Heat: high Time: 3 minutes Check: Scum is fully released and water is cloudy — time to drain

2. 冬瓜去皮去籽，切 3 cm 块。保留部分瓜皮口感更爽脆，全部去皮更软糯。

Prepare the winter melon: peel the tough outer skin, remove seeds, and cut the flesh into 3 cm chunks. The rind can be left on for a firmer texture or removed for a softer result.

判断：刀切有轻微阻力——不硬不烂

Check: Knife meets slight resistance — not rock hard, not mushy

3. 新锅中放入焯好的排骨、姜片、葱结、料酒，加冷水 1.5 L，大火烧开。

In a clean pot, combine blanched ribs, sliced ginger, knotted scallion, and Shaoxing wine. Add cold water (1.5 L). Bring to a boil over high heat.

火候：high 参考：5 分钟 判断：剧烈沸腾

Heat: high Time: 5 minutes Check: Vigorous rolling boil achieved

4. 烧开后转最小火，半盖锅盖慢炖 40 分钟。汤面仅微冒泡，不能大滚。

Once boiling, reduce heat to the lowest possible setting. Cover partially and simmer for 40 minutes. The broth should barely move — a few occasional bubbles, not a rolling boil.

火候：low 参考：40 分钟 判断：汤面几近平静，仅微动

Heat: low Time: 40 minutes Check: Surface is almost still — only gentle movement

5. 下冬瓜块，继续敞盖慢炖 30-35 分钟，至冬瓜半透明、筷子可轻松插入。

Add winter melon chunks to the pot. Continue simmering uncovered for another 30-35 minutes, until the melon is translucent and fork-tender.

参考：30-35 分钟 判断：筷子一插入，冬瓜入口即化

Time: 30-35 minutes Check: Fork slides in with zero resistance — melon is melting

6. 捞出姜片和葱结不要。加盐和白胡椒粉调味，盛碗上桌。

Remove ginger slices and scallion knot. Season with salt and white pepper to taste. Ladle into bowls and serve immediately.

判断：汤本身可直接饮用——清澈鲜香，带冬瓜微甜

Check: Broth should be drinkable on its own — clean, savory, slightly sweet from the melon

厨师小贴士 Chef's Tips

- 汤清的关键是焯水——绝不能省。血沫不去，汤浑且腥。
- The key to clear soup is the blanching step — never skip it. Impure bones make cloudy, gamy soup.
- 保持微沸——大火会搅浑汤底，冬瓜也会煮烂。
- Keep the simmer gentle — a rolling boil will cloud the broth and break apart the winter melon.
- 冬瓜在亚超全年有售。选沉重、坚硬、表皮有白色粉霜的——说明新鲜。
- Winter melon is available in Asian supermarkets year-round. Look for heavy, hard pieces with intact white powdery bloom on the skin — this indicates freshness.
- 这道汤隔夜更美味——提前一天做好，第二天小火回温，风味更融合。
- This soup improves with time — make it a day ahead and reheat gently. The flavors meld beautifully overnight.

11 西兰花炒牛肉 Beef & Broccoli (西兰花炒牛肉)

菜系：粤菜 / 家常 (Cantonese / Home-style) | 地区：广东 / 家常 | 难度：中等 | 时长：约 30 分钟 | 份量：3 人份
标签：weeknight、high-protein、30-min、classic

广东家常厨房和外卖菜单上的常客。“好吃”和“软塌”的区别在于两件事：牛肉上浆，以及西兰花先焯后快炒、绝不炖煮。

A favorite in Cantonese home kitchens and takeout menus alike. The difference between 'good' and 'soggy' comes down to two things: velveting beef, and broccoli that's blanched then flash-fried, never stewed.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
牛肉片 flank steak (or sirloin), sliced thin against the grain	350 g	about 12 oz	逆纹切片占嫩牛肉的 80%。
西兰花 broccoli, cut into small florets	1 head (~400 g)	1 head	
生抽 light soy sauce (marinade)	1 tbsp	1 tbsp	
料酒 Shaoxing wine (marinade)	1 tbsp	1 tbsp	
玉米淀粉 cornstarch (marinade)	1 tbsp	1 tbsp	
食用油 neutral oil (marinade, to seal)	1 tsp	1 tsp	
蚝油 oyster sauce	2 tbsp	2 tbsp	
生抽 light soy sauce (sauce)	1 tbsp	1 tbsp	
水淀粉 cornstarch slurry (1 tsp starch + 2 tbsp water)	3 tbsp total	3 tbsp total	
蒜片 garlic, sliced	3 cloves	3 cloves	
姜片 ginger, sliced	1 tsp	1 tsp	

食用油 neutral oil for cooking	2 tbsp	2 tbsp	
盐 salt (for blanching)	1 tsp	1 tsp	

做法步骤 Steps

1. 牛肉逆纹切薄片。用生抽、料酒、淀粉腌制，最后加 1 茶匙油封住。静置 10 分钟。

Slice beef thinly against the grain. Marinate with soy, Shaoxing, and cornstarch; finish with 1 tsp oil to seal. Rest 10 minutes.

参考：10 分钟 判断：浆液均匀附着，无干斑

Time: 10 minutes Check: Glaze clings evenly, no dry patches

小贴士：先把牛肉冷冻 20 分钟，更容易切薄片。

Tip: Freeze the beef 20 minutes first for easier thin slicing.
2. 西兰花放入沸盐水焯 60-90 秒，再过冷水。充分沥干。

Blanch broccoli in boiling salted water 60-90 seconds, then shock in cold water. Drain well.

参考：60-90 秒 判断：叉子能轻易扎透梗部，花朵仍保持形状

Time: 60-90 seconds Check: Stem pierces easily with a fork but florets still hold shape

小贴士：过冷水能停止加热——这是保持翠绿爽脆的关键。

Tip: Shocking stops the cooking — this is what keeps it green and snappy.
3. 小碗中调好碗汁：蚝油 + 生抽 + 水淀粉。

Mix sauce: oyster sauce + soy + cornstarch slurry in a small bowl.

参考：1 分钟 判断：碗底无淀粉结块

Time: 1 minute Check: No starch lumps at the bottom of the bowl
4. 锅中放 1.5 汤匙油，大火烧至微微冒烟。牛肉平铺入锅，煎 1 分钟，再翻炒至八成熟。盛出。

Heat 1.5 tbsp oil in a wok over high until smoking lightly. Add beef in one layer; sear 1 minute, then stir-fry until 80% cooked. Remove.

火候：high 参考：2 分钟 判断：牛肉能轻松从锅底脱离（别过早翻动）

Heat: high Time: 2 minutes Check: Beef releases from the pan easily (don't stir too early)
5. 加入剩余油和蒜片姜片，爆香 15 秒。牛肉连汁回锅。

Add remaining oil + garlic + ginger; stir 15 seconds until fragrant. Return beef with any juices.

火候：high 参考：15 秒 判断：香气立刻迸发

Heat: high Time: 15 seconds Check: Fragrant immediately
6. 下西兰花，倒入碗汁。快速翻炒 30-45 秒，直到汤汁光亮、裹住所有食材。

Add broccoli, pour in the sauce. Toss rapidly 30-45 seconds until glossy and everything is coated.

火候：high 参考：30-45 秒 判断：汤汁挂住食材，锅底无积水

Heat: high Time: 30-45 seconds Check: Sauce clings, no puddle left in the pan

厨师小贴士 Chef's Tips

- 逆纹切片 + 上浆 = 在家做出餐厅级嫩牛肉。
- Slicing against the grain + velveting = restaurant-tender beef at home.
- 西兰花先焯水，炒制只需 1 分钟——什么都会软塌。
- Blanching the broccoli means the stir-fry is only 1 minute — nothing gets soggy.
- 素食？牛肉换成老豆腐（1:1），用菌菇蚝油。
- Vegetarian? Swap beef for firm tofu (1:1) and use mushroom oyster sauce.

12 青椒牛柳 Green Pepper Beef (青椒牛柳)

菜系：家常菜（Home-style） | 地区：全国流行 | 难度：中等 | 时长：约 30 分钟 | 份量：3 人份
标签：30-min、weeknight、beef、gluten-free-ok

青椒牛柳是北方城市工作日晚上的牛肉担当：嫩牛肉条遇上青椒的爽脆微辣。它专治两大工作日难题——一炒就老的牛肉，和一做就一小时的家常饭。把肉上浆、把锅烧到微冒烟，电饭煲还没响，这道菜就出锅了。

青椒牛柳 is the weekday beef dish of northern Chinese cities: tender strips of beef against the sharp, fresh bite of green pepper. It exists to solve the two great weeknight problems — beef that turns to rubber, and dinners that take an hour. Velvet the meat, heat the pan until it whispers, and the whole thing is done before the rice cooker beeps.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
牛里脊/牛柳 beef sirloin or flank, thinly sliced against the grain	350 g	about 12 oz	逆纹切是嫩肉的第一秘诀。
青椒 green bell peppers, cut into strips	2 (about 250 g)	2 medium	
洋葱 onion, cut into strips (optional)	1/2 (about 80 g)	1/2 medium	
蒜片 garlic, sliced	3 cloves	3 cloves	
姜片 ginger, sliced	3 slices	3 slices	
生抽 light soy sauce	1.5 tbsp	1.5 tbsp	
料酒 Shaoxing wine	1 tbsp	1 tbsp	
蚝油 oyster sauce	1 tbsp	1 tbsp	
小苏打 baking soda (optional, for extra tenderizing)	1/4 tsp	1/4 tsp	在家嫩化牛肉的小妙招——腌 15 分钟后冲掉。可选。
玉米淀粉 cornstarch (for velveting + slurry)	2 tbsp total	2 tbsp total	
黑胡椒 black pepper	1/2 tsp	1/2 tsp	

食用油 neutral oil	3 tbsp	3 tbsp	
--------------------	--------	--------	--

做法步骤 Steps

1. 牛肉逆纹切薄片。上浆：与 1 汤匙生抽、料酒、1 汤匙淀粉和（可选）小苏打拌匀，静置 15 分钟。

Slice beef thinly against the grain. Velvet: mix with 1 tbsp soy, Shaoxing, 1 tbsp cornstarch, and (optional) baking soda. Rest 15 minutes.

参考：静置 15 分钟 判断：料汁被吸收，碗底无积液

Time: 15 minutes rest Check: Marinade absorbed; no pooled liquid at the bottom

小贴士：用了小苏打的话，下锅前快速冲洗并重新擦干。

Tip: If using baking soda, rinse the beef quickly and re-pad dry before cooking.

2. 调碗汁：剩余半汤匙生抽、蚝油、黑胡椒、半杯水（125 毫升）、1 汤匙淀粉，搅匀。

In a small bowl mix: remaining 1/2 tbsp soy, oyster sauce, black pepper, 1/2 cup water (125 ml), 1 tbsp cornstarch.

判断：碗底无结块

Check: No lumps at the bottom

3. 锅中放 2 汤匙油，大火烧到微微泛光（约 30 秒）。牛肉单层下锅——先让它煎 30 秒再翻动。

Heat 2 tbsp oil in a wok until it just starts to shimmer (about 30 seconds over high). Add beef in one layer — let it sear 30 seconds before moving it.

火候：high 参考：先静置 30 秒 判断：牛肉能离锅了——煎到位了，现在开始翻

Heat: high Time: 30 seconds undisturbed Check: Beef releases from the pan — that's the sear, now toss

小贴士：前 30 秒别碰它。翻太早 = 灰白橡皮牛肉。

Tip: Leave the beef alone for 30 seconds. Moving it too early = gray, rubbery beef.

4. 翻炒至牛肉约八成熟（大部分变棕，中心一点粉色），约 1 分钟，盛出。

Stir-fry until beef is about 80% cooked (mostly brown, tiny pink center), about 1 minute. Remove to a plate.

参考：约 1 分钟 判断：还带一点粉色——会在酱汁里焖熟

Time: about 1 minute Check: Slight pink remains — it will finish cooking in the sauce

5. 加剩余 1 汤匙油。下蒜片、姜片、洋葱炒 30 秒，再下青椒炒 1-2 分钟，至颜色鲜绿、边缘微焦。

Add remaining 1 tbsp oil. Stir-fry garlic, ginger, onion (30 sec), then green peppers (1-2 min) until bright green with charred edges.

火候：high 参考：1-2 分钟 判断：青椒依然脆，边缘开始变软

Heat: high Time: 1-2 minutes Check: Peppers still crisp but starting to soften at the edges

小贴士：青椒上的微焦其实是镬气的化身——别客气。

Tip: A little char on the peppers is wok hei in disguise — don't be shy.

6. 放回牛肉。搅一下碗汁倒入，翻炒 30 秒至全部油亮。

Return the beef. Give the sauce a stir and pour it in. Toss 30 seconds until everything is glossy.

参考：30 秒 判断：酱汁变稠挂壁——牛肉火候刚好

Time: 30 seconds Check: Sauce thickens and clings — beef is exactly done

7. 立刻盛出配米饭。别留在锅里——余热会继续把牛肉焖老。

Serve immediately over steamed rice. Don't leave it in the pan — carryover heat keeps cooking the beef.

判断：现在就装盘

Check: Plate now

厨师小贴士 Chef's Tips

- 逆纹切肉——这一个习惯能解决九成的牛肉老硬问题。
- Slice against the grain — this single habit fixes 90% of tough beef.
- 锅要烧到冒烟，再给肉 30 秒耐心，这就是全部秘诀。
- A screaming-hot pan and 30 seconds of patience is the whole secret.

- 别省腌制那 15 分钟；它比你想象的更重要。
- Don't skip the brief rest in the marinade; 15 minutes matters more than you think.
- 青椒：1 个微辣的+1 个甜椒，能带出一点俏皮的辣味。
- Green peppers: use 1 hot + 1 sweet for a gentle kick.

13 洋葱炒牛肉 Onion Beef Stir-fry (洋葱炒牛肉)

菜系：家常菜（Home-style） | 地区：华北 | 难度：简单 | 时长：约 20 分钟 | 份量：3 人份
标签：20-min、weeknight、beef、kid-friendly、one-pan

洋葱炒牛肉是忙碌工作日和一顿正经中餐之间最快的桥：两种食材、一口锅、二十分钟。北方厨房里这是孩子学的第一道牛肉菜——因为洋葱自己会变甜，酱汁容错率高，配饭、配面、配馒头都行。我奶奶管它叫“入门牛肉”，不是没道理。

Onion beef is the fastest bridge between a busy weekday and a proper Chinese dinner: two ingredients, one pan, twenty minutes. In northern Chinese kitchens it's the dish a child learns first — because the onion sweetens on its own, the sauce forgives mistakes, and it pairs with rice, noodles, or bread equally well. My grandmother called it 'the beginner's beef' for a reason.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
牛肉片 beef sirloin or flank, thinly sliced against the grain	300 g	about 10 oz	牛腩排或牛里脊都行；切薄、逆纹。
洋葱 onion, cut into thick strips	2 (about 300 g)	2 medium	黄皮或红皮洋葱；切粗条才不会炒没影。
蒜片 garlic, sliced	3 cloves	3 cloves	
生抽 light soy sauce	1.5 tbsp	1.5 tbsp	
老抽 dark soy sauce (optional, for color)	1/2 tsp	1/2 tsp	
料酒 Shaoxing wine	1 tbsp	1 tbsp	
蚝油 oyster sauce	1 tbsp	1 tbsp	
白糖 sugar	1/2 tsp	1/2 tsp	呼应洋葱本身的甜味。
玉米淀粉 cornstarch (for velveting + slurry)	2 tbsp total	2 tbsp total	
食用油 neutral oil	3 tbsp	3 tbsp	

做法步骤 Steps

1. 牛肉逆纹切薄片。上浆：与 1 汤匙生抽、料酒、1 汤匙淀粉拌匀，静置 10 分钟。

Slice beef thinly against the grain. Velvet: mix with 1 tbsp soy, Shaoxing, and 1 tbsp cornstarch. Rest 10 minutes.

参考：静置 10 分钟 判断：碗底没有游离汁水

Time: 10 minutes rest Check: No free liquid in the bowl

2. 调碗汁：剩余半汤匙生抽、老抽、蚝油、糖、三分之一杯水（80 毫升）、1 汤匙淀粉，搅匀。

In a small bowl mix: remaining 1/2 tbsp soy, dark soy, oyster sauce, sugar, 1/3 cup water (80 ml), 1 tbsp cornstarch.

判断：尝一口：咸甜平衡

Check: Taste: savory-sweet balance

3. 锅放 2 汤匙油，大火烧至泛光。牛肉单层下锅，静置 30 秒再翻动，翻炒 1 分钟至大部分变色。盛出。

Heat 2 tbsp oil over high until shimmering. Add beef in one layer, sear 30 seconds without moving, then stir-fry 1 minute until mostly browned. Remove.

火候：high 参考：静置 30 秒后再炒 1 分钟 判断：牛肉能轻松离锅

Heat: high Time: 1 minute after the 30-second sear Check: Beef releases easily from the pan

4. 加剩余 1 汤匙油，下洋葱和蒜片，翻炒 2-3 分钟至洋葱变半透明、变甜。

Add remaining 1 tbsp oil, then onion and garlic. Stir-fry 2-3 minutes until onion turns translucent and sweet.

火候：medium-high 参考：2-3 分钟 判断：洋葱散发出甜香——生辣味已消失

Heat: medium-high Time: 2-3 minutes Check: Onion smells sweet — the raw pungency is gone

小贴士：这道菜的甜味就来自这里。别催洋葱。

Tip: This is where the dish gets its sweetness. Don't rush the onion.

5. 放回牛肉，搅一下碗汁倒入，翻炒 30 秒至油亮裹匀。

Return the beef, give the sauce a stir, pour it in. Toss 30 seconds until glossy and everything is coated.

参考：30 秒 判断：酱汁变稠成釉——完成

Time: 30 seconds Check: Sauce thickens to a glaze — done

6. 立刻配米饭或面条上桌。洋葱放置后会越来越甜——剩下的夹三明治也很好吃。

Serve immediately over rice or noodles. The onion keeps sweetening as it sits — leftovers are great cold in a sandwich.

判断：趁热上桌

Check: Serve hot

厨师小贴士 Chef's Tips

- 前 30 秒静置不翻是牛肉嫩的关键，别省。
- The 30-second untouched sear is non-negotiable for tender beef.
- 洋葱+大火=甜；洋葱+小火=烂糊。保持中大火。
- Onion + high heat = sweet; onion + low heat = mushy. Keep it medium-high.
- 蚝油换成菌菇炒酱、配豆腐，就变成素食友好版。
- Swap oyster sauce for mushroom stir-fry sauce to make it vegetarian-friendly (serve with tofu).
- 剩的洋葱炒牛肉第二天夹三明治，绝了。
- Leftover onion beef makes a brilliant sandwich filling the next day.

14 土豆炖牛肉 Potato Beef Stew (土豆炖牛肉)

菜系：家常菜（Home-style） | 地区：全国 | 难度：简单 | 时长：约 75 分钟 | 份量：4 人份
标签：comfort、beef、one-pot、stew、weekend

土豆炖牛肉是中国家庭冬日里的暖心菜——大锅牛肉、土豆、胡萝卜，泡在咸香的酱油汤里，炖到土豆边缘化开、牛肉一抿就散。每家做法略有不同：有的加番茄提酸，有的加八角增香。真正的明星是土豆——它吸饱了牛肉汤汁。

Potato beef stew is the Chinese family's comfort food for cold days — a big pot of beef, potato, and carrot in a savory soy broth, simmered until the potatoes go soft at the edges and the beef falls apart. Every household has a slightly different version: some add tomatoes for tang, some add star anise for depth. The potato is the real star — it soaks up all the beefy broth.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
牛腩或牛腱子 beef chuck or brisket, 3 cm chunks	700 g	about 1.5 lb	牛腩和牛腱的脂肪和胶质足够，久炖依然软嫩。
土豆（面土豆） potatoes (waxy), peeled and cubed	3 medium (about 400 g)	3 medium (about 14 oz)	面土豆保持形状；淀粉多的会化进汤里（也好吃）。
胡萝卜 carrots, cut into chunks	2 medium	2 medium	
姜片 ginger, sliced	5 slices	5 slices	
小葱 scallions	3 stalks	3 stalks	
八角 star anise	2 whole	2 whole	
桂皮 cinnamon stick	1 small	1 small	
生抽 light soy sauce	3 tbsp	3 tbsp	
老抽 dark soy sauce	1 tbsp	1 tbsp	
料酒 Shaoxing wine	2 tbsp	2 tbsp	
白糖 sugar	1 tsp	1 tsp	

食用油 neutral oil	1 tbsp	1 tbsp	
--------------------	--------	--------	--

做法步骤 Steps

1. 牛肉焯水：水开下牛肉煮 3 分钟，撇去浮沫，捞出冲洗沥干。

Blanch the beef: bring a pot of water to boil, add beef, cook 3 minutes, skim the foam, rinse and drain.

火候：high 参考：3 分钟 判断：不再冒沫——牛肉干净了

Heat: high Time: 3 minutes Check: No more foam rising — beef is clean
2. 厚底锅放油，中大火加热。牛肉单层煎到四面焦黄，约 5 分钟。别急——焦香=风味。

Heat oil in a heavy pot over medium-high. Sear the beef in one layer until browned on all sides, about 5 minutes. Don't rush this — browning = flavor.

火候：medium-high 参考：5 分钟 判断：锅底粘着焦色锅巴——那是精华，别刮掉

Heat: medium-high Time: 5 minutes Check: Browned bits stick to the pan — that's the fond, leave it
3. 下姜片、葱段、八角、桂皮和料酒，翻炒 1 分钟出香。

Add ginger, scallions, star anise, cinnamon, and Shaoxing. Stir 1 minute until aromatic.

火候：medium-high 参考：1 分钟 判断：满屋香料香

Heat: medium-high Time: 1 minute Check: Spice aroma fills the kitchen
4. 加生抽老抽和糖，翻炒 1 分钟。加入没过牛肉 2 厘米的开水。烧开撇沫，盖盖小火焖 45 分钟。

Add soy sauces and sugar, stir 1 minute. Add enough boiling water to cover the beef by 2 cm. Bring to a boil, skim, cover, and simmer 45 minutes.

火候：low 参考：45 分钟 判断：筷子扎牛肉有轻微阻力——半熟状态

Heat: low Time: 45 minutes Check: A chopstick pierces the beef with some resistance — halfway tender
5. 下土豆和胡萝卜，搅拌没入汤中。盖盖再焖 20 分钟，到土豆用叉子一戳就透。

Add potatoes and carrots. Stir to submerge. Cover and simmer 20 more minutes, until the potatoes are fork-tender.

火候：medium-low 参考：20 分钟 判断：叉子毫无阻力地滑入土豆块

Heat: medium-low Time: 20 minutes Check: A fork slides into a potato cube with no resistance
6. 尝味补盐（不同生抽咸度不同）。想要浓汁就开盖再煮 5-10 分钟。撒葱花，浇在米饭上。

Taste and adjust salt (soy brands vary). For a thicker sauce, simmer uncovered 5-10 minutes. Garnish with scallions and serve over rice.

火候：medium 参考：收汁的话 5-10 分钟 判断：汤汁能挂勺

Heat: medium Time: 5-10 minutes if reducing Check: The broth coats a spoon

厨师小贴士 Chef's Tips

- 牛肉要煎透——色浅则汤寡。
- Browning the beef deeply is where the flavor lives — pale beef makes pale stew.
- 必须加热水，不能加冷水——冷水会让肉收紧变柴。
- Always add boiling water, never cold — cold water seizes the meat and toughens it.
- 土豆晚下锅，保持形状而不是化进汤里。
- Add potatoes late so they keep their shape instead of melting into the broth.
- 这道炖菜隔夜更好吃；提前做好，晚餐零压力。
- This stew is even better the next day; make it ahead for a stress-free dinner.

15 腰果鸡丁 Cashew Chicken (腰果鸡丁)

菜系：家常菜（Home-style） | 地区：广东 / 全国流行 | 难度：简单 | 时长：约 25 分钟 | 份量：3 人份
标签：30-min、weeknight、chicken、kids-friendly、nutty

腰果鸡丁是粤式炒锅与一把坚果相遇的产物——既上得了家宴，也出得了餐厅。家常版受宠只有一个原因：它几乎不可能被炒砸。上浆的鸡丁滑嫩不柴，腰果带着焦香脆口，酱汁是简单的咸甜口，大人小孩都买账。

Cashew chicken is what happens when Cantonese stir-fry meets a can of nuts — a dish that appears at family dinners and banquet tables alike. The home version is beloved for one reason: it's almost impossible to overcook into misery. The velveted chicken stays silky, the cashews add a toasty crunch, and the sauce is a simple savory-sweet glaze that children and adults agree on.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
鸡腿肉 boneless chicken thighs, cut into 2 cm cubes	400 g	about 14 oz	鸡腿肉多汁；鸡胸上浆到位也可以。
生腰果 raw cashews	80 g	about 3/4 cup	用原味生腰果——咸淡自己控。熟腰果也行，最后再放。
黄瓜丁 English cucumber, diced (or carrot / zucchini)	1/2 (about 120 g)	1/2 large	经典搭配是黄瓜+胡萝卜配色；任何脆的蔬菜都行。
胡萝卜丁 carrot, diced	1/2 (about 60 g)	1/2 medium	
蒜末 garlic, minced	2 cloves	2 cloves	
姜末 ginger, minced	1 tsp	1 tsp	
小葱 scallions, white part for the wok, green for garnish	2 stalks	2 stalks	
生抽 light soy sauce	1.5 tbsp	1.5 tbsp	
料酒 Shaoxing wine	1 tbsp	1 tbsp	
蚝油 oyster sauce	1 tbsp	1 tbsp	

白胡椒粉 white pepper	1/4 tsp	1/4 tsp	
玉米淀粉 cornstarch (for velveting + slurry)	2 tbsp total	2 tbsp total	
食用油 neutral oil	2 tbsp	2 tbsp	

做法步骤 Steps

1. 上浆：鸡丁与 1 汤匙生抽、料酒、白胡椒和 1 汤匙淀粉拌匀，静置 10 分钟。

Velvet the chicken: mix with 1 tbsp soy, Shaoxing, white pepper, and 1 tbsp cornstarch. Rest 10 minutes.

参考：静置 10 分钟 判断：裹层有黏感，不干也不结块

Time: 10 minutes rest Check: Coating feels tacky, not dry or clumpy

小贴士：上浆是鸡丁滑嫩的秘诀——看术语卡片。

Tip: Velveting is what keeps the chicken silky — see the term card.
2. 调汁：小碗里放剩余半汤匙生抽、蚝油、半杯水（125 毫升）和 1 汤匙淀粉，搅匀。

In a small bowl mix the sauce: remaining 1/2 tbsp soy, oyster sauce, 1/2 cup water (125 ml), and 1 tbsp cornstarch.

判断：淀粉完全化开——不行就晃一晃

Check: Cornstarch fully dissolved — shake if needed
3. 锅中放 1 汤匙油，中火。腰果炒至金黄出香，约 2 分钟，立刻盛出。

Heat 1 tbsp oil in a wok over medium. Toast cashews until golden and fragrant, about 2 minutes. Remove immediately.

火候：medium 参考：2 分钟 判断：部分腰果出现淡金色斑点——离火后还会继续熟，现在就要捞出

Heat: medium Time: 2 minutes Check: A few cashews show faint golden spots — they keep cooking off-heat, so pull them now

小贴士：腰果一变色几秒内就会糊。拿不准就早一步盛出。

Tip: Cashews burn in seconds after they start coloring. When in doubt, take them out early.
4. 锅中加剩余 1 汤匙油，转大火。鸡丁单层下锅翻炒至表面变白微金黄，约 2-3 分钟。

Add remaining 1 tbsp oil to the wok, raise to high heat. Stir-fry the chicken in one layer until the exterior turns opaque and lightly golden, about 2-3 minutes.

火候：high 参考：2-3 分钟 判断：看不到粉色，边缘刚开始上色

Heat: high Time: 2-3 minutes Check: No pink remains; edges just starting to brown

小贴士：大火是关键——要的是煎香不是蒸。一次别放太多。

Tip: High heat is the point — you want sear, not steam. Crowding the pan steams it.
5. 下蒜末、姜末和葱白，炒 30 秒出香。加入黄瓜丁和胡萝卜丁，翻炒 1 分钟。

Add garlic, ginger, and scallion whites. Stir 30 seconds until fragrant. Add cucumber and carrot, stir-fry 1 minute.

火候：high 参考：1 分钟 判断：黄瓜依然脆，但已热透

Heat: high Time: 1 minute Check: Cucumber still crisp but warmed through
6. 先搅一下碗汁（淀粉会沉底！），倒入锅中快速翻炒——酱汁应在 30 秒内变得油亮并裹住所有食材。

Give the sauce bowl a stir (cornstarch settles!), pour it in. Toss quickly — the sauce should turn glossy and coat everything within 30 seconds.

参考：30 秒 判断：酱汁能挂勺背——浓稠度刚好

Time: 30 seconds Check: Sauce coats the back of a spoon — thick enough
7. 关火，拌入炒香的腰果和葱花。趁热上桌——这样腰果最脆。

Off heat, fold in the toasted cashews and scallion greens. Serve immediately — cashews stay crunchiest this way.

判断：趁腰果还没软立刻吃

Check: Serve hot before the cashews soften

厨师小贴士 Chef's Tips

- 生腰果熟得很快——一闻到坚果香就出锅。
- Raw cashews toast fast — pull them out the moment they smell nutty.
- 倒汁前一定要再搅一次；淀粉沉底比石头还快。
- Always re-stir the sauce right before pouring; cornstarch sinks like a rock.
- 想要更脆，蔬菜步骤可加一把马蹄丁或芹菜丁。
- For extra crunch, add a handful of water chestnuts or celery at the veggie step.
- 这道菜特别适合聚会：全部翻倍，大火不变。
- This dish scales beautifully to a party: double everything, keep the high heat.

16 可乐鸡翅 Coke Chicken Wings (可乐鸡翅)

菜系：家常菜（Home-style） | 地区：全国流行 | 难度：简单 | 时长：约 30 分钟 | 份量：3 人份
标签：30-min、kids-friendly、chicken、weeknight、sweet

可乐鸡翅是 90 后孩子央求爸妈做的菜——因为可乐本身就是零食，放进菜里像变魔术。可乐的焦糖把鸡翅裹成深琥珀色，咸甜交织、黏稠油亮。它至今仍是教青少年做饭的入门菜：不容易翻车，吃过就忘不掉。

Coke chicken wings is the dish that 90s Chinese kids begged their parents to make — because cola was a treat, and putting it in dinner felt like magic. The caramel from the coke glazes the wings a deep amber, sweet-salty, sticky and glossy. It's still the gateway dish for teaching teenagers to cook: hard to mess up, impossible to forget.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
鸡翅中 chicken wings (mid-joint + drumette)	500 g	about 1 lb	买切好的翅中。下锅前一定擦干水分。
可乐（原味，不要无糖） cola (regular, not diet)	330 ml (1 can)	1 can (about 1 1/3 cups)	必须用原味可乐——无糖版没有糖分可焦化，味道寡淡。
姜片 ginger, sliced	4 slices	4 slices	
葱段 scallions, white part	2 stalks	2 stalks	
生抽 light soy sauce	2 tbsp	2 tbsp	
蚝油（可选） oyster sauce (optional)	1 tsp	1 tsp	
料酒 Shaoxing wine	1 tbsp	1 tbsp	
白芝麻（装饰） white sesame seeds (garnish)	1 tsp	1 tsp	

做法步骤 Steps

- 鸡翅用厨房纸彻底擦干。两面各划一刀，划到皮肉之间。
Pat the wings completely dry with paper towels. Score each wing once on both sides through the skin.
判断：皮上没有水珠
Check: No water droplets on the skin
- 平底锅放 1 汤匙油，中大火加热。鸡翅皮朝下煎至金黄，每面约 2-3 分钟。不要挤在一起——可以分两批。

Heat 1 tbsp oil in a wide pan over medium-high. Sear wings skin-side down until golden, about 2-3 minutes per side. Don't crowd the pan — do two batches if needed.

火候：medium-high 参考：每面 2-3 分钟 判断：边缘焦脆金黄，没有糊

Heat: medium-high Time: 2-3 minutes per side Check: Edges are crispy and browned, not burnt

3. 下姜片、葱段和料酒，翻炒 30 秒出香。

Add ginger, scallion whites, and Shaoxing wine. Stir 30 seconds until fragrant.

火候：medium-high 参考：30 秒 判断：生酒味消失，取而代之的是咸香

Heat: medium-high Time: 30 seconds Check: The raw alcohol smell is gone, replaced by a savory aroma

4. 倒入可乐、生抽和蚝油（如果用）。液体大约到鸡翅一半高度。大火烧开，转中小火。

Pour in the cola, light soy sauce, and oyster sauce (if using). The liquid should come about halfway up the wings. Bring to a boil, then reduce to medium-low.

火候：medium-low 参考：15-20 分钟 判断：蒸汽闻起来甜咸交织，没有酒味

Heat: medium-low Time: 15-20 minutes Check: Steam smells sweet and savory, not boozy

5. 15 分钟后翻面，继续小火焖到汤汁收掉一半、能挂在鸡翅上。

After 15 minutes, turn the wings and continue simmering until the sauce has reduced by half and coats the wings.

火候：medium-low 参考：再焖 5-10 分钟 判断：锅铲划过酱汁——划痕能保持 2 秒

Heat: medium-low Time: 5-10 more minutes Check: Run a spatula through the sauce — the trail holds for 2 seconds

6. 转大火，不断翻动 1 分钟让鸡翅裹上糖浆。撒上白芝麻，趁热上桌。

Turn the heat to high and stir constantly for 1 minute to glaze the wings. Sprinkle sesame seeds and serve hot.

火候：high 参考：1 分钟 判断：酱汁刚好能挂住——再收就糊了，立刻停

Heat: high Time: 1 minute Check: Sauce barely clings — stop before it burns

厨师小贴士 Chef's Tips

- 鸡翅擦干是秘诀——带水下锅会变成蒸而不是煎。
- Dry wings are the secret — wet wings steam instead of sear.
- 不要用无糖可乐。糖就是整道菜的酱汁。
- Don't use diet coke. The sugar is the entire sauce.
- 如果汤汁收太干而鸡翅还没软，加 2 汤匙热水继续焖。
- If the sauce gets too thick before the wings are tender, add 2 tbsp hot water and keep simmering.
- 这个糖汁做排骨或豆腐泡一样好吃。
- This glaze also works beautifully on pork ribs or tofu puffs.

17 红烧鸡腿 Braised Chicken Legs (红烧鸡腿)

菜系：家常菜（Home-style） | 地区：全国 | 难度：简单 | 时长：约 40 分钟 | 份量：3 人份
标签：comfort、chicken、weeknight、one-pot、kids-friendly

红烧鸡腿是工作日版的红烧肉——经典的红亮酱色和酱油焦糖香全都有，但四十分钟就能上桌。各地调味略有不同：上海偏甜，北方多姜和八角。公式不变：煎上色、小火焖、收成糖色。

Hongshao chicken legs are the weekday version of red-braised pork — all the deep, glossy, soy-caramel flavor of the classic, but on the table in forty minutes. Every region seasons it a little differently: Shanghainese cooks add more sugar, northern cooks more ginger and star anise. The formula never changes: brown the skin, simmer low, reduce to a lacquer.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
鸡腿（琵琶腿或全腿） chicken drumsticks (or whole legs)	6 (about 700 g)	6 (about 1.5 lb)	擦干后在皮上划一两刀，方便入味。
姜片 ginger, sliced	5 slices	5 slices	
葱段 scallions, cut into 5 cm sections	3 stalks	3 stalks	
八角 star anise	2 whole	2 whole	
桂皮 cinnamon stick	1 small	1 small	
生抽 light soy sauce	2 tbsp	2 tbsp	
老抽 dark soy sauce	1 tbsp	1 tbsp	
料酒 Shaoxing wine	2 tbsp	2 tbsp	
冰糖（或白糖） rock sugar (or white sugar)	1 tbsp	1 tbsp	冰糖上色更亮。白糖也完全可以。
食用油 neutral oil	1 tbsp	1 tbsp	

做法步骤 Steps

1. 鸡腿擦干、划刀。提前调好炖汁：生抽、老抽、料酒、糖和 1 杯温水拌匀。

Pat the chicken dry. Score the skin. Have the braising liquid ready: soy sauces, Shaoxing, sugar, and 1 cup of warm water mixed together.

判断：没有未融化的酱或糖块

Check: No lumps of undissolved soy or sugar

2. 宽锅放油，中大火加热。鸡腿皮朝下煎到深金黄，每面约 3-4 分钟。挤就分批煎。

Heat oil in a wide pot over medium-high. Sear the legs skin-side down until deeply golden, about 3-4 minutes per side. Work in batches if needed.

火候：medium-high 参考：每面 3-4 分钟 判断：皮呈漆亮感——不是发白或生的

Heat: medium-high Time: 3-4 minutes per side Check: Skin has a lacquered look — not pale or raw

3. 把鸡腿推到一边。下姜片、葱段、八角和桂皮，翻炒 30 秒出香。

Push the legs to one side. Add ginger, scallion, star anise, and cinnamon. Stir 30 seconds until fragrant.

火候：medium-high 参考：30 秒 判断：八角桂皮散发出温暖香甜的气息

Heat: medium-high Time: 30 seconds Check: Star anise and cinnamon smell warm and sweet

4. 倒入炖汁，大约到鸡腿 3/4 高度。大火烧干，撇去浮沫，盖盖转小火焖 20 分钟。

Pour in the braising liquid. It should come about 3/4 up the legs. Bring to a boil, skim any foam, then cover and reduce to low. Simmer 20 minutes.

火候：low 参考：20 分钟 判断：汤汁是小火慢滚，不是大滚

Heat: low Time: 20 minutes Check: Liquid is at a lazy simmer, not a rolling boil

5. 开盖翻面，转中火。不盖盖再煮 10 分钟，不断把汁淋到鸡腿上，直到汤汁收浓。

Uncover, turn the legs, and raise heat to medium. Simmer uncovered 10 minutes, spooning sauce over the legs, until the sauce has reduced and thickened.

火候：medium 参考：10 分钟 判断：锅铲划过酱汁，划痕保持 2-3 秒

Heat: medium Time: 10 minutes Check: A spatula trail in the sauce holds for 2-3 seconds

6. 可选最后一步：转大火，让鸡腿在糖浆里裹 1 分钟。装盘淋上酱汁，配米饭。

Optional final glaze: raise heat to high and toss the legs in the syrup for 1 minute. Plate with the sauce spooned over. Serve with rice.

火候：high 参考：1 分钟 判断：酱汁刚好挂住——再收就糊，立即停

Heat: high Time: 1 minute Check: Sauce barely clings — stop before it burns

厨师小贴士 Chef's Tips

- 鸡皮必须煎透——皮白味淡。
- Browning the skin well is non-negotiable — pale skin means pale flavor.
- 烧开后撇浮沫——这是汤汁清亮和浑浊的区别。
- Skim the foam after boiling; it's the difference between a clear glaze and a murky one.
- 收汁别急。酱汁只有最后几分钟才会变成漆亮质感。
- Don't rush the reduction. The sauce only turns lacquered in the last few minutes.
- 剩的第二天更好吃——鸡腿在酱汁里继续入味。
- Leftovers taste even better next day — the legs keep braising in their own sauce.

18 酱油鸡翅 Soy-Braised Chicken Wings (酱油鸡翅)

菜系：家常菜（Home-style） | 地区：全国 | 难度：简单 | 时长：约 30 分钟 | 份量：3 人份
标签：chicken、30-min、kids-friendly、weeknight、one-pot

酱油鸡翅是让一代中国小孩见识到“生抽是超能力”的菜。四种原料——鸡翅、酱油、糖、姜——三十分钟后就是油亮深棕、舔手指的鸡翅，味道像从餐厅端出来的。它是可乐鸡翅年长且低调的兄弟，很多人认为它更好吃。

Soy-braised chicken wings are the dish that taught a generation of Chinese kids that soy sauce is a superpower. Four ingredients — wings, soy, sugar, ginger — and thirty minutes later you have glossy, dark, finger-licking wings that taste like they came from a restaurant. It's the older, less famous sibling of coke chicken wings, and many would argue it's better.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
鸡翅中 chicken wings (mid-joint + drumette)	500 g	about 1 lb	擦干。两面各划一刀，方便入味。
姜片 ginger, sliced	5 slices	5 slices	
小葱 scallions	2 stalks	2 stalks	
生抽 light soy sauce	3 tbsp	3 tbsp	
老抽 dark soy sauce	1/2 tsp	1/2 tsp	
白糖 sugar	1 tbsp	1 tbsp	
料酒 Shaoxing wine	1 tbsp	1 tbsp	
八角（可选） star anise (optional)	1 whole	1 whole	
香油 sesame oil	1/2 tsp	1/2 tsp	

做法步骤 Steps

1. 鸡翅擦干划刀。调好酱汁：生抽、老抽、糖、料酒和 1 杯温水拌匀。
Pat wings dry and score. Have the sauce ready: soy, dark soy, sugar, Shaoxing, and 1 cup warm water mixed.
- 判断：杯底没有糖粒
Check: No sugar grains at the bottom

2. 宽锅中大火加热。鸡翅皮朝下单层煎至金黄，每面约 3 分钟。不要挤在一起。

Heat a wide pan over medium-high. Sear the wings skin-side down in one layer until golden, about 3 minutes per side. Don't crowd.

火候：medium-high 参考：每面 3 分钟 判断：鸡翅轻松脱离锅底

Heat: medium-high Time: 3 minutes per side Check: Wings release easily from the pan

3. 下姜片、葱段和八角（如果用），翻炒 30 秒出香。

Add ginger, scallions, and star anise (if using). Stir 30 seconds until fragrant.

火候：medium-high 参考：30 秒 判断：姜香温暖辛辣

Heat: medium-high Time: 30 seconds Check: Ginger smells warm and pungent

4. 倒入酱汁，大约到鸡翅一半高度。烧开后转中小火，盖盖焖 12 分钟。

Pour in the sauce. It should come about halfway up the wings. Boil, then reduce to medium-low, cover, and simmer 12 minutes.

火候：medium-low 参考：12 分钟 判断：汤汁明显变少；鸡翅呈古铜色

Heat: medium-low Time: 12 minutes Check: The sauce has reduced visibly; wings look bronzed

5. 开盖翻面，不盖盖再煮 8 分钟，不断把汁淋到鸡翅上，直到酱汁油亮挂翅。

Uncover, turn the wings, and simmer uncovered 8 minutes, spooning sauce over them, until the sauce is glossy and clings.

火候：medium 参考：8 分钟 判断：锅铲划过酱汁，划痕保持 2 秒

Heat: medium Time: 8 minutes Check: A spatula trail in the sauce holds for 2 seconds

6. 关火，淋香油翻一下。配米饭上桌，把剩余酱汁浇在饭上。

Off heat, drizzle sesame oil and toss once. Serve hot with rice — spoon the remaining sauce over.

判断：酱汁挂在鸡翅上，浇在饭上很好看

Check: Sauce coats the wings and the rice beautifully

厨师小贴士 Chef's Tips

- 鸡翅擦干+热锅=金黄鸡皮。带水只会蒸。
- Dry wings + hot pan = golden skin. Wet wings steam instead.
- 老抽上色、生抽调味——别互换。
- Dark soy is for color, light soy for flavor — don't swap them.
- 最后收汁很快，别离开锅边。
- The sauce reduces fast at the end; stay near the pan.
- 翻倍做——剩的凉着吃是最好吃的零食。
- Double the wings and sauce — leftovers make the best cold snack.

19 香煎鸡排 Pan-Fried Chicken Cutlet (香煎鸡排)

菜系：家常菜（Home-style） | 地区：全国流行 | 难度：简单 | 时长：约 25 分钟 | 份量：2 人份
标签：chicken、30-min、kids-friendly、weeknight、high-protein

香煎鸡排是中国家庭对炸鸡渴望的回答——而且不用油炸锅。鸡胸剖开拍薄，用姜和生抽腌制，煎到外壳金黄、内部多汁。孩子爱吃，大人工作日需要它，配米饭配面条都行。

Pan-fried chicken cutlet is the Chinese home cook's answer to the fried chicken craving — without the deep fryer. A butterflied chicken breast, pounded thin, marinated in ginger and soy, then pan-fried until the crust is golden and the inside stays juicy. Kids love it, adults need it on a weeknight, and it goes with everything from rice to noodles.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
鸡胸肉（或鸡腿肉） boneless chicken breast (or thigh), butterflied	2 (about 400 g)	2 (about 14 oz)	剖开拍平到 1 厘米厚，才能熟得均匀。
姜末 ginger, grated	1 tbsp	1 tbsp	
蒜末 garlic, minced	2 cloves	2 cloves	
生抽 light soy sauce	2 tbsp	2 tbsp	
料酒 Shaoxing wine	1 tbsp	1 tbsp	
白糖 sugar	1 tsp	1 tsp	
白胡椒粉 white pepper	1/4 tsp	1/4 tsp	
面粉（拍粉用） all-purpose flour (for dusting)	3 tbsp	3 tbsp	
食用油 neutral oil	2 tbsp	2 tbsp	

做法步骤 Steps

1. 鸡胸剖开：从中间切到几乎贯穿，像翻书一样打开，拍平成均匀的 1 厘米厚。
Butterfly each breast: slice almost through the middle, open like a book, and pound to an even 1 cm thickness.
- 判断：鸡排在案板上能平铺

Check: They lie flat on the cutting board

2. 腌料：生抽、料酒、姜蒜、糖和白胡椒调匀，裹上鸡排腌 15 分钟（冰箱里过夜也行）。

Marinate: mix soy, Shaoxing, ginger, garlic, sugar, and white pepper. Coat the chicken and marinate 15 minutes (or up to overnight in the fridge).

参考：至少 15 分钟 判断：腌料被吸收——表面湿润但不滴水

Time: 15 minutes minimum Check: Marinade has been absorbed — surface looks moist but not dripping

3. 鸡排两面轻轻拍粉，抖掉多余的。面粉应该是薄薄一层干膜。

Dust each cutlet lightly with flour, shaking off the excess. The flour should be a thin, dry film.

判断：摸起来是干燥的

Check: Flour feels dry to the touch

4. 厚底锅放油，中大火加热。放入鸡排——应该听到平稳的滋啦声。不要翻动，煎 3-4 分钟。

Heat oil in a heavy pan over medium-high. Place the cutlets in — you should hear a steady sizzle. Cook 3-4 minutes without moving.

火候：medium-high 参考：3-4 分钟 判断：鸡排能轻松脱离——看一眼：金黄而不是发白

Heat: medium-high Time: 3-4 minutes Check: Cutlet releases easily — peek: golden, not pale

5. 翻面再煎 3 分钟。如果脆壳上色太快，调小火——里面需要时间熟透。

Flip and cook 3 minutes on the second side. If the crust browns too fast, lower the heat — the inside needs time to cook through.

火候：medium 参考：3 分钟 判断：按压最厚处——有弹性且微微回弹

Heat: medium Time: 3 minutes Check: Press the thickest part — it springs back with a slight give

6. 装盘静置 3 分钟（肉汁回流），再逆纹切片。配米饭，挤柠檬或淋少许生抽。

Rest 3 minutes on a plate (juices redistribute), then slice against the grain. Serve with rice and a lemon wedge or a drizzle of soy.

参考：静置 3 分钟 判断：最厚处没有粉色

Time: 3 minutes rest Check: No pink at the thickest point

厨师小贴士 Chef's Tips

- 拍成均匀厚度是多汁和干柴的分界线——别省这一步。
- Pounding to even thickness is the difference between juicy and dry — take the time.
- 前 3 分钟不要翻动——脆壳需要时间成形并脱离锅底。
- Don't move the chicken in the first 3 minutes; the crust needs to form and release.
- 静置不能省。切太早，肉汁全流到砧板上。
- Resting is not optional. Slice too early and the juices run out onto the board.
- 想要更脆，把面粉换成面包糠，用半煎半炸。
- For a crispy-ier crust, substitute panko for flour and shallow-fry.

20 红烧肉 Braised Pork Belly (红烧肉)

菜系：家常菜（Home-style） | 地区：全国（湘沪两派） | 难度：中等 | 时长：约 90 分钟 | 份量：4 人份
标签：comfort、chinese-new-year、pork、one-pot、braised

每个中国家庭都有一份红烧肉配方，且每家都认为只有自己的才对。这道菜是纯粹的炼金术：五花肉块用糖炒出焦糖色，加酱油小火慢炖，直到肥肉化成丝绸、皮变成啫喱。它是婚宴、年夜饭、孩子放假回家的味道。

Every Chinese family has a hongshao rou recipe, and every family argues theirs is the only correct one. The dish is pure alchemy: cubes of pork belly, caramelized in sugar, simmered low and slow in soy until the fat turns to silk and the skin to jelly. It's the taste of weddings, New Year's dinners, and the moment a child comes home from college.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
带皮五花肉 pork belly, skin on	800 g	about 1.75 lb	要 3-4 厘米厚的整块。皮不能去掉——那层胶质全靠它。
冰糖 rock sugar	40 g	about 2 tbsp	冰糖才能炒出标志性的红亮糖色。没有时白糖也能凑合。
姜片 ginger, sliced	6 slices	6 slices	
小葱 scallions	3 stalks	3 stalks	
八角 star anise	2 whole	2 whole	
生抽 light soy sauce	3 tbsp	3 tbsp	
老抽 dark soy sauce	1 tbsp	1 tbsp	
料酒 Shaoxing wine	2 tbsp	2 tbsp	
食用油（炒糖用） neutral oil (for caramelizing)	1 tbsp	1 tbsp	

做法步骤 Steps

1. 五花肉切成 3 厘米方块。水烧开后下锅焯 3 分钟，捞出冲洗并擦干——去浮沫的同时让皮收紧。
Cut the belly into 3 cm cubes. Bring a pot of water to a boil, add the pork, and blanch 3 minutes. Rinse and pat dry — this removes scum and tightens the skin.
- 火候：high 参考：3 分钟 判断：表面没有生肉粉色

Heat: high Time: 3 minutes Check: No raw-pink patches remain on the surface

2. 锅里放油和冰糖，小火不停搅拌。糖融化、起泡、变成深琥珀色——约 2-3 分钟。千万别走开。

Heat oil and rock sugar in the wok over low heat. Stir constantly until the sugar melts, foams, and turns deep amber — about 2-3 minutes. Do not walk away.

火候：low 参考：2-3 分钟 判断：颜色是深琥珀——再过一秒就发苦，立即下一步

Heat: low Time: 2-3 minutes Check: Color is mahogany-amber — one second past this and it burns bitter

3. 立刻下五花肉块，翻炒让每块都裹上糖色。加姜片、小葱和八角，炒 2 分钟让糖色挂住并略深。

Immediately add the pork cubes. Stir to coat every piece in the caramel. Add ginger, scallion, and star anise. Fry 2 minutes until the caramel clings and darkens slightly.

火候：medium 参考：2 分钟 判断：糖色均匀裹在肉上——锅底没有结糖

Heat: medium Time: 2 minutes Check: Caramel coats the meat — no sugar stuck to the wok bottom

4. 烹入料酒（会滋啦响），加生抽老抽，翻炒 1 分钟。加入没过肉块的热水。大火烧开。

Add Shaoxing wine (it will sizzle), then light and dark soy. Stir 1 minute. Add enough warm water to just cover the pork. Bring to a boil.

火候：high 参考：加水前翻炒 1 分钟 判断：料酒滋啦挥发出酒精——生味消失

Heat: high Time: 1 minute before adding water Check: Wine sizzles away its alcohol — the raw smell disappears

5. 盖盖转最小火，焖 60-75 分钟，期间不要翻动——30 分钟时检查一次汤汁别烧干。

Cover, reduce to the lowest simmer, and cook 60-75 minutes without stirring — check once at 30 minutes that the liquid hasn't dried out.

火候：low 参考：60-75 分钟 判断：筷子能轻松穿透皮和肥肉，几乎没有阻力

Heat: low Time: 60-75 minutes Check: A chopstick pierces the skin and fat with almost no resistance

6. 开盖转中火，再煮 10-15 分钟，不时翻动，直到汤汁收成挂在肉上的亮泽酱汁。配米饭上桌。

Uncover and raise heat to medium. Simmer uncovered 10-15 minutes, stirring occasionally, until the sauce reduces to a glossy glaze that coats the meat. Serve over rice.

火候：medium 参考：10-15 分钟 判断：锅铲划过酱汁，划痕保持 3 秒

Heat: medium Time: 10-15 minutes Check: A spatula trail in the sauce holds for 3 seconds

厨师小贴士 Chef's Tips

- 炒糖色是翻车重灾区。小火、不停搅、比你想要的颜色浅一档就下肉。
- The caramel step is where people burn it. Low heat, constant stirring, pull it one shade lighter than you think.
- 先焯水——皮收紧，肉块久炖不散形。
- Blanch first — it tightens the skin so the cubes keep their shape through the long braise.
- 炒糖后绝不能加冷水——糖会凝固，肉会变柴。
- Never add cold water after the caramel step; it seizes the sugar and turns the meat tough.
- 汤汁是宝贝：浇在米饭上，或者冷藏一夜——会凝成纯正的鲜味肉冻。
- The sauce is the treasure: spoon it over rice, or refrigerate overnight — it turns into pure umami jelly.

21 糖醋里脊 Sweet and Sour Pork (糖醋里脊)

菜系：家常菜（Home-style） | 地区：中国 | 难度：中等 | 时长：约 30 分钟 | 份量：2 人份
标签：comfort、special-occasion、kid-friendly

糖醋里脊是向西方介绍中餐的代表菜。正宗中式做法不是美式外卖那种浓稠的橙色酱汁——它是明亮酸甜、外壳薄脆的平衡风味。这份家常快手版用玉米淀粉薄裹，酱汁现调现烹。

Sweet and sour pork is the dish that introduced Chinese food to the West. The real Chinese version is not the thick orange glaze of American takeout — it is a bright, tangy-sweet balance with a thin crispy crust. This home version uses a quick cornstarch coating and a pan-made sauce that comes together in minutes.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
猪里脊或梅花肉，切 2cm 长条 pork tenderloin or loin, cut into 2 cm strips	400 g	about 14 oz	
鸡蛋 egg	1	1 large	
玉米淀粉 cornstarch	4 tbsp	4 tbsp	
中筋面粉 all-purpose flour	2 tbsp	2 tbsp	
生抽 light soy sauce	1 tbsp	1 tbsp	
料酒 Shaoxing wine	1 tbsp	1 tbsp	
镇江香醋（或米醋） Chinkiang black vinegar (or rice vinegar)	3 tbsp	3 tbsp	
白糖 white sugar	2 tbsp	2 tbsp	
番茄酱 ketchup (for color + tang)	2 tbsp	2 tbsp	
食用油（炸用） neutral oil for frying	300 ml	about 1 1/4 cup	

白胡椒 white pepper	1/4 tsp	1/4 tsp	
---------------------	---------	---------	--

做法步骤 Steps

1. 猪里脊切 2cm 长条，用厨房纸吸干表面水分——水分是脆壳的大敌。

Cut pork into 2 cm strips. Pat dry with paper towels — surface moisture is the enemy of crispy coating.

判断：肉表面无水珠

Check: No liquid beads on meat

2. 腌制：加生抽、料酒、白胡椒抓匀。静置 10 分钟。

Marinate pork: toss with soy sauce, Shaoxing wine, and white pepper. Rest 10 minutes.

参考：10 分钟 判断：碗底无游离液体

Time: 10 minutes Check: No free liquid in the bowl

3. 裹粉：将玉米淀粉和中筋面粉混合铺平。逐条裹粉，抖掉多余粉。

Make the coating: mix cornstarch and flour in a shallow bowl. Dredge each strip, shaking off excess.

判断：粉层干燥，不呈糊状

Check: Coating looks dry, not pasty

4. 调糖醋汁：香醋、糖、番茄酱、2 汤匙清水搅匀至糖融化。

Mix the sweet and sour sauce in a small bowl: vinegar, sugar, ketchup, and 2 tbsp water. Stir until sugar dissolves.

判断：勺背划过碗底无糖粒残留

Check: Spoon leaves a clean trail

5. 油烧至 170 度，筷子插入冒细密气泡。分批炸 2-3 分钟至金黄，捞出沥油。

Heat oil to 170 ° C — a wooden chopstick inserted should bubble steadily around it. Fry pork in batches 2-3 minutes until golden. Remove and drain.

火候：medium-high 参考：2-3 分钟 判断：浮起，外壳定型

Heat: medium-high Time: 2-3 minutes Check: Floats to surface, crust set

6. 锅中倒入糖醋汁，中火煮至微稠（约 30 秒）。下炸好的肉条，快速翻 10

秒裹匀——不要久翻，否则脆壳变软。

In a wok, pour in the sauce. Bring to a simmer over medium heat. When it thickens (about 30 seconds), add the fried pork. Toss quickly 10 seconds to coat — do NOT over-stir or the crust will soften.

火候：medium 参考：30 秒 判断：勺背挂汁清晰，划痕不立即消失

Heat: medium Time: 30 seconds Check: Sauce coats a spoon cleanly, trail holds

7. 趁热上桌。裹汁后脆壳保持约 2 分钟最佳口感。

Serve immediately on a warm plate. The crust stays crispy for about 2 minutes after saucing.

判断：2 分钟内吃完口感最佳

Check: Eaten within 2 minutes for best crunch

厨师小贴士 Chef's Tips

- 脆的关键是复炸：160 度初炸熟透，再 180 度复炸上色，最后裹汁。

- The key to crispy sweet and sour pork is double-frying: first fry at 160 ° C to cook through, then fry again at 180 ° C right before saucing for maximum crunch.

- 肉条一定要吸干水分，否则裹粉会脱落、口感发软。

- Do not skip the paper-towel step — wet meat equals soggy coating.

- 镇江香醋是灵魂，没有可用米醋替代，风味略逊。

- Chinese black vinegar (Chinkiang) gives the characteristic tang. Rice vinegar is a decent substitute if unavailable.

- 搭配蛋炒饭和清炒时蔬，经典一餐。

- This dish pairs perfectly with egg fried rice and a simple stir-fried green vegetable.

22 糖醋排骨 Sweet and Sour Pork Ribs (糖醋排骨)

菜系：家常菜（Home-style） | 地区：江苏 | 难度：中等 | 时长：约 50 分钟 | 份量：3 人份
标签：comfort、shanghai、family-dinner、special-occasion

糖醋排骨是上海家常菜的灵魂——光泽诱人、黏糯入味、咸甜交织。不同于美式炸排骨，这是焖烧做法：排骨在酸甜汁中慢炖至骨肉分离。是长江三角洲家庭聚会的必备菜。

Sweet and sour ribs (糖醋排骨) are a cornerstone of Shanghai home cooking — glossy, sticky, and deeply savory-sweet. Unlike the crispy fried American version, this is a braise: ribs slow-cooked in a tangy-sweet sauce until the meat falls off the bone. It is the dish that appears at every family gathering along the Yangtze delta.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
猪肋排，切 5cm 段 pork ribs (spare ribs or baby back), cut into 5 cm pieces	600 g	about 1.3 lbs	
冰糖（或白糖） rock sugar (or white sugar)	2 tbsp	2 tbsp	
镇江香醋 Chinkiang black vinegar	3 tbsp	3 tbsp	
生抽 light soy sauce	2 tbsp	2 tbsp	
老抽（上色用） dark soy sauce (for color)	1 tbsp	1 tbsp	
料酒 Shaoxing wine	2 tbsp	2 tbsp	
生姜，拍扁 3 片 ginger, sliced into 3 pieces	3 slices	3 slices	
大葱段，3 寸长 scallion, cut into 3-inch sections	2 stalks	2 stalks	
热水 hot water	400 ml	about 1 2/3 cup	
食用油 neutral oil	1 tbsp	1 tbsp	
白芝麻（装饰） white sesame seeds (garnish)	1 tsp	1 tsp	

做法步骤 Steps

1. 排骨焯水：冷水下锅，烧开后撇去浮沫，捞出冲洗。去除杂质和腥味。

Blanch ribs: put ribs in a pot with cold water, bring to a boil, skim scum, drain and rinse. This removes impurities and gamey odors.

参考：5 分钟 判断：冲洗后水变清

Time: 5 minutes Check: Water runs clear after rinsing

2. 炒糖色：中小火加热油，下冰糖搅动至融化变琥珀色（约 2 分钟）。不要离开——极易焦糊。

Caramelize sugar: heat oil in a wok over medium-low. Add rock sugar and stir constantly until it melts and turns amber (about 2 minutes). Do not walk away — it burns fast.

火候：medium-low 参考：2 分钟 判断：琥珀色冒小泡——立即离火

Heat: medium-low Time: 2 minutes Check: Amber color with small bubbles — pull off heat immediately

3. 下入焯好的排骨，快速翻炒让每块均匀裹上糖色。

Add blanched ribs to the caramelized sugar. Toss quickly to coat every piece in the glaze.

火候：medium 判断：每块均匀上色

Heat: medium Check: Every piece evenly colored

4. 加料酒、生抽、老抽、姜片、葱段。炒 30 秒出香。

Add Shaoxing wine, light soy, dark soy, ginger, and scallion. Stir 30 seconds to release aroma.

火候：medium-high 参考：30 秒 判断：酒气散尽，酱油香出来

Heat: medium-high Time: 30 seconds Check: Wine smell dissipates, soy fragrance emerges

5. 加热水没过排骨，烧开后转小火，盖盖焖 35 分钟。

Pour in hot water until ribs are just submerged. Bring to a boil, then reduce to low heat. Cover and simmer 35 minutes.

火候：low 参考：35 分钟 判断：肉从骨端微微收缩

Heat: low Time: 35 minutes Check: Meat pulls back slightly from bone ends

6. 加香醋，转中大火收汁，开盖收至浓稠裹汁（约 5-8 分钟）。

Add vinegar and increase heat to medium-high. Uncover and reduce sauce until it coats the ribs in a thick glossy glaze (about 5-8 minutes).

火候：medium-high 参考：5-8 分钟 判断：铲划锅底痕迹清晰

Heat: medium-high Time: 5-8 minutes Check: Sauce leaves a clean trail when stirred

7. 撒白芝麻点缀，趁热上桌。

Garnish with sesame seeds. Serve immediately while the glaze is still glossy and warm.

判断：趁热吃，凉了釉会凝固变硬

Check: Eat immediately — glaze sets as it cools

厨师小贴士 Chef's Tips

- 冰糖比白糖光泽更好、甜而不腻。没有冰糖可用白糖替代，但釉面光泽略逊。
- Rock sugar gives a glossier, less cloying sweetness than white sugar. If unavailable, white sugar works but the glaze will not be as shiny.
- 醋最后加——晚加醋保留明亮酸香，早加醋会被煮掉酸味。
- The vinegar is added at the end — late vinegar preserves its bright tang. Early vinegar gets cooked away.
- 排骨炖好的标志：轻压骨肉自然分离。
- The ribs are done when the meat easily separates from the bone with gentle pressure.
- 隔夜加热用蒸笼，釉面会重新恢复光泽。
- Leftover ribs reheat beautifully in a steamer — the glaze re-glosses.

23 青椒肉丝 Pepper Shredded Pork (青椒肉丝)

菜系：家常菜（Home-style） | 地区：江苏 | 难度：简单 | 时长：约 20 分钟 | 份量：2 人份
标签：quick、comfort、weeknight、pork

青椒肉丝是中国家庭周末下班后的终极安慰菜。肉丝经过上浆处理变得丝滑嫩口，再与爽脆的青椒快炒。我妈妈在忙碌的周二手工做饭——从冰箱到餐桌只要 15 分钟，却总能让我爸爸露出微笑。

Pepper shredded pork is the ultimate weeknight comfort food in Chinese homes. Thin strips of pork are velveted for silkiness, then stir-fried with crisp green pepper. My mother made this after work on busy Tuesdays — it took 15 minutes from fridge to table and never failed to make my father smile.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
猪里脊 pork loin (or tenderloin)	200 g	7 oz	
青椒 green bell pepper	1 large	1 large	
生抽 light soy sauce	1 tbsp	1 tbsp	
绍兴酒 shaoxing wine	1 tbsp	1 tbsp	
玉米淀粉 cornstarch	1 tbsp	1 tbsp	
大蒜 garlic cloves	2 cloves	2 cloves	
食用油 cooking oil	2 tbsp	2 tbsp	
香油 sesame oil	1/2 tsp	1/2 tsp	
白糖 sugar	1/4 tsp	1/4 tsp	

做法步骤 Steps

1. 将猪里脊切成约 5 厘米长、3 毫米厚的细丝。放入碗中，加入绍兴酒、1/2 汤匙生抽和玉米淀粉，拌匀腌制 10 分钟。

Cut pork loin into thin strips about 5 cm long and 3 mm thick. Place in a bowl with shaoxing wine, 1/2 tbsp light soy sauce, and cornstarch. Mix well and marinate for 10 minutes.

参考：10 min 判断：liquid absorbed

Time: 10 min Check: liquid absorbed

2. 青椒去籽后切成与肉丝相近的细丝。大蒜切末。

Remove seeds from the green pepper and cut into matching thin strips. Mince the garlic.

判断：prep complete

Check: prep complete

3. 热锅旺火下油，烧至微冒烟。加入腌好的肉丝，平铺锅底煎 20

秒不要翻动，然后快速翻炒至肉丝变白。

Heat oil in a wok over high heat until shimmering. Add the marinated pork and spread in a single layer. Let it sear for 20 seconds without stirring, then stir-fry until the pork turns white.

火候：high 判断：sizzling

Heat: high Check: sizzling

4. 加入蒜末和青椒丝，翻炒 1 分钟，青椒略微变软但仍保持脆感。

Add garlic and green pepper strips. Stir-fry for 1 minute until the pepper softens slightly but remains crisp.

火候：high 判断：fragrant

Heat: high Check: fragrant

5. 加入剩余生抽和白糖，翻炒 15 秒。淋上香油即可出锅，配白米饭食用。

Add remaining light soy sauce and sugar. Toss for 15 seconds. Drizzle sesame oil and serve immediately over steamed rice.

判断：ready

Check: ready

厨师小贴士 Chef's Tips

- 上浆是肉丝嫩滑的秘诀——玉米淀粉形成保护层锁住水分。
- Velveting (上浆) is the secret to tender pork — the cornstarch creates a protective coating that locks in moisture.
- 猛火是关键。如果锅不够热，肉会变成煮而不是炒。
- High heat is essential. If your wok isn't hot enough, the pork will stew instead of stir-fry.
- 甜椒最合适——清甜爽脆。不要用辣椒做这道菜。
- Green bell pepper works best — sweet and crisp. Don't use hot peppers for this dish.

24 醋溜白菜 Vinegar Cabbage (醋溜白菜) — Northeastern Sweet-Sour Stir-Fry

菜系：东北菜（Northeastern） | 地区：东北三省 | 难度：简单 | 时长：约 15 分钟 | 份量：2 人份
标签：quick、vegetarian、30-min、weeknight、northeastern | 饮食：vegan、gluten-free

醋溜白菜是北方家常菜的代表——用便宜的白菜做出明亮酸甜的口感。关键用手撕（不用刀切——撕的边更入味），再用少许糖中和醋的尖锐酸。这是东北奶奶用白菜囤货变出夏日口感的拿手菜。

醋溜白菜 is a Northern Chinese comfort food that turns humble napa cabbage into something bright, tangy, and deeply satisfying. The key is tearing the cabbage by hand (never cutting — torn edges caramelize better) and fighting the vinegar's acidity with a touch of sugar. It is the dish your Northeastern grandmother makes when she wants to turn winter stash into a summer-tasting plate.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
大白菜（帮叶） napa cabbage (center leaves)	500 g	1 small head	选用厚帮和嫩叶，用手撕成 5 厘米块——不要用刀切，手撕的毛边更易入味。
镇江香醋 Chinkiang (black) vinegar	2 tbsp	2 tbsp	这道菜的灵魂。不可用米醋替代——镇江醋的醇厚是关键。
白糖 white sugar	1½ tbsp	1½ tbsp	中和醋的尖锐酸。北方偏甜口，可依口味调整。
生抽 light soy sauce	1 tbsp	1 tbsp	提鲜增味，不破坏酸甜平衡。
蒜片 garlic, sliced	4 cloves	4 cloves	切薄片而非蒜末——薄片味道释放更温和。
食用油 neutral cooking oil	2 tbsp	2 tbsp	
香油 sesame oil	½ tsp	½ tsp	出锅前淋入增香。

做法步骤 Steps

1. 处理白菜。手撕成 5 厘米块，将厚白帮和嫩绿叶分开——帮子比叶子难熟，需分先后下锅。
Prepare cabbage. Tear napa cabbage into 5-cm pieces by hand, separating thick white stems from green leaves. Set aside separately — stems cook slower than leaves.
- 火候：low 判断：手撕边缘比刀切更粗糙，更易吸附酱汁
Heat: low Check: 手撕的边缘比刀切的更粗糙，更易吸附酱汁

2. 大火烧热锅，倒入食用油滑锅，下蒜片快速翻炒 5 秒至出香。

Heat wok on high. Add oil and swirl. Add garlic slices; stir 5 seconds until fragrant.

火候：high 参考：约 5 秒 判断：蒜片变金黄立即下白菜帮，不可等蒜变焦苦

Heat: high Time: 约 5 秒 Check: 蒜片变金黄立即下白菜帮，不可等蒜变焦苦

3. 先下白菜帮，大火翻炒 1 分钟——边缘开始变软但仍有脆度。

Add cabbage stems first. Stir-fry 1 minute on high heat until edges begin to soften but still crisp.

火候：high 参考：1 分钟 判断：帮子变软但未塌——此时下叶片

Heat: high Time: 1 分钟 Check: 帮子变软但未塌——此时下叶片

4. 下白菜叶，沿锅边淋入醋和生抽，大火快速翻炒 30 秒——叶子要软但不塌烂。

Add cabbage leaves. Pour vinegar and soy sauce along the wok wall. Toss vigorously for 30 seconds — the leaves should wilt but not turn to mush.

火候：high 参考：30 秒 判断：叶片变软但仍有光泽——此时撒糖

Heat: high Time: 30 秒 Check: 叶片变软但仍有光泽——此时撒糖

5. 撒白糖，翻炒 15 秒让糖融化裹匀。淋香油，最后翻一次立即出锅。

Sprinkle sugar, toss 15 seconds to dissolve and coat. Drizzle sesame oil, give one final toss, and plate immediately.

火候：high 参考：15 秒 判断：糖完全融化、酱汁微微冒泡即可出锅

Heat: high Time: 15 秒 Check: 糖完全融化、酱汁微微冒泡即可出锅

小贴士：不可久炒——白菜出水会变汤汤水水，失去口感。

Tip: Do not overcook — napa cabbage releases water and turns soupy if cooked too long.

厨师小贴士 Chef's Tips

- 手撕而非刀切——撕的毛边更吸汁。
- Tear, do not cut — torn edges absorb the sweet-sour glaze better.
- 先下帮后下叶——确保均匀受热。
- Stems first, leaves second. This ensures even cooking.
- 醋沿锅边淋——产生焦糖化的酸香。
- Vinegar on the wok wall, not on the cabbage — this creates the caramelized sour note.
- 立即上桌——白菜出锅后还会继续出水。
- Serve immediately. Cabbage continues releasing water after plating.

25 酸辣土豆丝 Spicy Sour Potato Shreds

(酸辣土豆丝)

菜系：川菜（Sichuan） | 地区：四川 / 全国 | 难度：简单 | 时长：约 20 分钟 | 份量：2 人份
标签：sichuan、vegetarian、quick、weeknight、budget | 饮食：vegetarian

酸辣土豆丝是每家川菜馆最便宜的菜，也往往是最多人点的——一盘细脆的土豆丝，配干辣椒和香醋炒到酸辣、爽脆得不可思议。整道菜是技术测验：切得够不够细、洗得够不够净、锅够不够热，决定土豆丝脆不脆。在家，它是十分钟晚餐。

Spicy sour potato shreds is the cheapest dish in every Sichuan restaurant and often the most ordered — a plate of thin, crisp potato threads tossed with dried chilies and black vinegar until they're spicy, sour, and impossibly crunchy. The whole dish is a technique test: can you cut thin enough, rinse enough, and wok-hot enough to keep the potatoes crisp? At home, it's the ten-minute dinner.

食材明细

食材 Ingredient	用量（公制）Metric	用量（美制）US	备注 / 替代 Note
土豆（面土豆，如 Russet） potatoes (starchy, e.g. Russet)	2 large (about 400 g)	2 large (about 14 oz)	面土豆切丝更利落。皮可削可不削，带皮口感更丰富。
香醋（镇江） black vinegar (Chinkiang)	2 tbsp	2 tbsp	
干辣椒段 dried red chilies, cut into 1 cm pieces	6	6	
花椒 Sichuan peppercorns	1 tsp	1 tsp	
蒜片 garlic, sliced	3 cloves	3 cloves	
葱花 scallion greens, sliced	2 stalks	2 stalks	
盐 salt	1/2 tsp	1/2 tsp	
食用油 neutral oil	2 tbsp	2 tbsp	

做法步骤 Steps

1. 土豆削皮（可选）切成约 3 毫米的细丝。动作要快，土豆很快会氧化变黄。
Peel (optional) and cut the potatoes into thin matchsticks — about 3 mm. Work quickly; the potatoes brown fast.
判断：最粗的丝约 3 毫米——没有粗块

Check: The thickest shred is about 3 mm — not chunky

2. 土豆丝冷水冲洗 3 遍，再换清水泡 5 分钟。沥干拍干——水要洗到变清。

Rinse the shreds in cold water 3 times, then soak in fresh cold water 5 minutes. Drain and pat dry — the water should run clear.

参考：冲洗 3 遍 + 泡 5 分钟 判断：最后一遍水几乎清澈——淀粉洗掉了

Time: 3 rinses + 5 minutes soak Check: The last rinse water is almost clear — starch is gone

3. 锅放油大火加热。下花椒炸 15 秒出香——然后捞出（可选，想更麻就留着）。

Heat oil in a wok over high heat. Add Sichuan peppercorns and fry 15 seconds until fragrant — then remove them (optional, or leave for extra numbing).

火候：high 参考：15 秒 判断：尖锐的麻香——在花椒变黑之前

Heat: high Time: 15 seconds Check: Sharp peppery aroma — before they blacken

4. 下干辣椒段和蒜片，炒 10 秒到辣椒出香油亮（别炒糊）。

Add chilies and garlic. Stir 10 seconds until the chilies are fragrant and glossy (don't burn them).

火候：high 参考：10 秒 判断：香辣扑鼻——在冒烟之前

Heat: high Time: 10 seconds Check: Spicy aroma hits — before smoke

5. 下土豆丝，大火翻炒 2 分钟——不停翻动，让它们均匀受热不粘锅。

Add the potato shreds. Stir-fry over high heat 2 minutes — keep them moving so they cook evenly without sticking.

火候：high 参考：2 分钟 判断：土豆丝能弯不断——脆嫩

Heat: high Time: 2 minutes Check: Shreds bend without breaking — tender-crisp

6. 沿锅边烹入香醋——会滋啦响。加盐和葱花，翻炒 30 秒，趁脆立刻上桌。

Pour the vinegar along the wok wall — it will sizzle. Add salt and scallion greens. Toss 30 seconds and serve immediately while still crisp.

火候：high 参考：30 秒 判断：咬下去还是脆的——立即出锅

Heat: high Time: 30 seconds Check: They still snap when bitten — stop cooking now

厨师小贴士 Chef's Tips

- 冲洗不能省——淀粉就是土豆变黏的元凶。
- The rinse is non-negotiable — starch is what turns potatoes to glue.
- 醋要沿锅边烹——在热锅壁上焦化激活，而不是直接倒菜上。
- Vinegar on the hot wok wall, not on the potatoes: it caramelizes and wakes up.
- 大火短时。脆土豆丝是一场速度赛。
- High heat, short time. Crisp shreds are a speed contest.
- 想更麻：压碎半茶匙花椒和盐一起下。
- For extra numbing, crush 1/2 tsp Sichuan peppercorns and add with the salt.
